ASSIGNMENT

WHEREAS, I, Mathew D. Meyer, having an address of 4800 Baseline Rd #104, PMB-302, Boulder CO, have invented a certain new and useful invention entitled "METHOD AND APPARATUS FOR CONTROLLED TRANSFER OF FLUID" for which an application for Letters Patent of the United States has been prepared for filing, said application being identified as Agent File No. 1249-2-CIP-2. I hereby authorize Voz Patents LLC, to insert herein in parenthesis (Application No. 16/671,129, filed on 2019-Oct-31) the application number and the filing date of said application when known.

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign, and transfer unto said assignee, Vection Limited, a Colorado company, having a place of business at 4800 Baseline Road #104, PMB-302, Boulder CO 80303, its successors, legal representatives and assigns, the aforesaid application and the invention described therein for the territory of the United States of America and all regular, continuation, divisional, continuation-in-part, and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; I also assign any right to claim priority, any right, title, or interest in and to the said invention which has not already been transferred to the assignee, I warrant that I have made no assignment of the invention, application, or patent therefor to a party other than Vection Limited, and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Vection Limited, its successors, legal representatives and assigns, as the assignee of the entire right, title, and interest therein.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to become effective upon execution of the signature blocks hereunder.
