ASSIGNMENT

Chetan Pasrija ("Assignor") hereby sells, assigns, and transfers to the University of Maryland Medical Center, LLC ("UMMC"), having an office c/o University of Maryland Medical System Office of the General Counsel, 110 S. Paca Street, PP-2-S-154, Baltimore, MD 21201, his entire right, title, and interest in and to the invention known as "Device for Transseptal Puncture" (the "Invention"):

check applicable space(s) [X] for the United States of America (as defined in 35 U.S.C. §100) [X] and throughout the world,

for which application(s) for patent was filed under the Patent Cooperation Treaty on March 22, 2018 (also known as international patent application number PCT/US2018/023800), and in any and all non-provisional and/or international or foreign patent applications thereon, continuing patent applications thereon (including without limitation substitutions, divisionals, continuations, and continuations-in-part), patents or Letters Patent issued therefrom, and reissues, extensions, renewals, and reexaminations of such applications or patents.

Such entire right, title, and interest in the Invention are to be held and enjoyed by UMMC to the same extent as they would have been held and enjoyed by Assignor had this Assignment not been made, to the full end of the term or terms for which any such patent(s) issue. Assignor hereby represents and warrants that he has full right to convey his right, title, and interest in the Invention herein assigned, and that he has not executed and will not execute any agreement or other document in conflict therewith.

Assignor agrees to execute and deliver separate Assignments, patent applications, and other documents necessary or expedient in connection with, and to cooperate with and to assist UMMC in connection with: further perfecting the assignment of the Invention to UMMC; UMMC's preparation, filing, prosecution (including without limitation defense in interference proceedings, reexaminations, or litigation), enforcement, and/or maintenance of the patents and patent applications; or for UMMC to protect and commercialize its intellectual property right, title, and interests in the Invention (including without limitation copyright and/or trademarks).

IN WITNESS WHEREOF, executed by Assignor on the date opposite his name.

ASSIGNOR:
