CONFIRMATORY PATENT ASSIGNMENT

This CONFIRMATORY PATENT ASSIGNMENT (this "Confirmatory Assignment"), dated as of September 12, 2019, is entered into by and between Kitty Hawk Corporation (formerly known as Zee.Aero Inc.), a Delaware corporation ("Assignor"), and Cora Aero LLC, a Delaware limited liability company ("Assignee") (each a "Party," and collectively, the "Parties").

WHEREAS, the Parties entered into that certain Intellectual Property Assignment Agreement, dated as of June 28, 2019 (the "Assignment"); and

WHEREAS, the Parties desire to confirm that, pursuant to the Assignment, all right, title and interest in and to the issued patents and patent applications set forth in Exhibit A attached hereto (the "Assigned Patents") has been transferred to and is owned by Assignee.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged by the Parties, the Parties, intending to be legally bound, hereby agree as follows:

1. Assignment. Effective as of June 28, 2019, Assignor, on behalf of itself and its subsidiaries, did contribute, assign, transfer, convey, and deliver to Assignee its and its subsidiaries' entire worldwide right, title and interest in, to and under the Assigned Patents, together with any and all goodwill associated with and symbolized by the Assigned Patents, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor (or any of its subsidiaries, as applicable) if the Assignment had not been made, as assignee of its respective entire right, title and interest therein, including, without limitation, all rights in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto, all causes of action (whether in law or in equity) with respect thereto, and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned under the Assignment.

2. Due Authorization. Assignor hereby authorizes and requests the officials of the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign jurisdiction, to record this Confirmatory Assignment and record Assignee as assignee and owner of the entire right, title and interest in, to and under the Assigned Patents.

3. Governing Law. This Confirmatory Assignment and all disputes arising out of or relating to this Confirmatory Assignment shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to contracts made and performed entirely within the State of Delaware without giving effect to any laws or principles of conflicts of laws of such state that would cause the laws of any other jurisdiction to apply.

4. Counterparts. For the convenience of the Parties, this Confirmatory Assignment may be executed in any number of counterparts, each such counterpart being

deemed to be an original instrument, and all such counterparts shall together constitute one agreement.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the Parties have caused this Confirmatory Assignment to be duly executed as of the date first above written.
