ASSIGNMENT OF PATENT RIGHTS

WHEREAS, We, Amit Singh of 19 Pegasus Dr., Coto de Caza, CA 92679, United States; and Robert Douglas Stewart of 59 Wimbledon Road, Etobicoke, Ontario M9A 3S3, Canada hereafter referred to as the “Inventors,” have invented a new design for which an application for a United States Patent, entitled “SCOOTER WITH TANK CHARACTER,” was executed on November 21, 2019 (said “Invention”), and Whereas, Snap Pop, a California Corporation, hereafter, together with any successors, legal representatives, or assigns, thereof whose mailing address is 19 Pegasus Dr., Trabuco Canyon, CA 92679 (hereinafter referred to as “First Assignee”) is desirous of acquiring a 50% right, title, and interest in and to said Invention; and 1867361 ONTARIO INC, a Canadian Corporation, hereafter, together with any successors, legal representatives, or assigns, thereof whose mailing address is 59 Wimbledon Road, Etobicoke, Ontario M9A 3S3, Canada (hereinafter referred to as “Second Assignee”) is desirous of acquiring a 50% right, title, and interest in and to said Invention; and whereas the First Assignee and the Second Assignee are desirous of collectively acquiring the entire right, title, and interest in and to said Invention;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, the Inventors, by these presents do hereby sell, assign, transfer and set over unto said First Assignee a 50% right, title and interest to the said Invention and all non-provisional patent applications claiming priority of common subject matter of said invention, all continuations, divisions, substitutions, continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents—including related rights such as utility-model registrations, inventor’s certificates, and the like—heretofore or hereafter filed for said improvements in any foreign countries;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, the Inventors, by these presents do hereby sell, assign, transfer and set over unto said Second Assignee a 50% right, title and interest to the said Invention and all non-provisional patent applications claiming priority of common subject matter of said invention, all continuations, divisions, substitutions, continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents—including related rights such as utility-model registrations, inventor's certificates, and the like—heretofore or hereafter filed for said improvements in any foreign countries;

AND WE HEREBY authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to said First Assignee and said Second Assignee, the entire right, title, and interest in and to the same, for his use and behoof and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made in accordance with the terms of this assignment;

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to the First Assignee and the Second Assignee any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid the First Assignee and the

Second Assignee to obtain and enforce proper patent protection for said improvements in all countries.

AND WE HEREBY further covenant and agree that said Invention may be assigned to the First Assignee and the Second Assignee.

For purposes of recordation, we, the Inventors on behalf of the First Assignee and the Second Assignee, respectively, authorize Brooks Acordia IP Law, P.C., to enter the filing date and serial number of the above executed application below:
