**ASSIGNMENT**

---

For valuable and sufficient consideration from MultiTec Holdings GmbH, (hereinafter referred to as "Assignee"), a German corporation having its principal place of business at Salzbergenerstr. 18 - 22, Rheine, Germany 48431, receipt of such consideration being hereby acknowledged, I,

Jürgen Bialy  
Nordwalder Strasse 38  
Altenberge, Germany 48341

hereby sell, assign and convey unto Assignee, its successors and assigns, my entire right, title and interest:

(1) in and to an invention entitled "Conveyor Device for Conveying Food Products" for which I have executed Canadian Patent Application No. 2,882,644, filed February 23, 2015, European Patent Application No. 15000291.3, filed January 30, 2015, and United States Patent Application No. 14/628,434, filed February 23, 2015, which claim the benefit of German Application No. 10 2014 002 530.6, filed February 24, 2014; and

(2) in and to said Canadian, European, United States, and German Patent Applications, and in and to all other patent applications now or hereafter filed in the United States and countries foreign to the United States (including divisional, continuation, reexamination, and reissue applications, and legal equivalents thereof) based upon said invention(s), and in and to the patent or patents granted thereon or issued therefrom, including reissues or the like thereof, if any, to the full end of the term or terms for which said patent or patents may be granted or issued.

I agree that any patent applications of any countries foreign to the United States which may be filed under any applicable international treaties and/or conventions based upon said invention(s) shall be filed in the name of Assignee with the right to claim priority to any earlier filed applications based upon said invention(s).

I hereby further agree that I shall, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to be a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

I hereby further agree and authorize the Commissioner of Patents and Trademarks of the United States and all other appropriate government officials for applicable countries foreign to the United States to issue any and all above-identified patents to Assignee.
