ASSIGNMENT OF U.S. PATENT APPLICATION

WHEREAS, I, Adrian STEINER, having a mailing address of Remsistrasse 12, Weggis, Switzerland CH-6353, (hereinafter referred to as the "Assignor") have invented certain new and useful improvements in

Coffee machine, other than for household purposes

and

for which I am about to file a non-provisional application in the U.S. Patent and Trademark Office; or

for which a non-provisional application has been filed in the U.S. Patent and Trademark Office on November 20, 2019 and assigned Ser. No. 29/713,977 (I hereby authorizes and requests my attorney to insert herein the filing date and serial number of the application when known); and

WHEREAS, STEINER AG WEGGIS of Thermoplan-Platz 1, Weggis, Switzerland CH-6353 ("Assignee"), is desirous of obtaining the entire right, title and interest in, to and under the invention and the application;

NOW, THEREFORE, in consideration of the sum of One Swiss Franc to me in hand paid, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, I, the Assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the U.S. nonprovisional application, and all divisionals, reissues, renewals and continuations thereof, and all patents of the United States which may be granted thereon and all reissues and extensions thereof; and

I HEREBY authorize and request the Commissioner for Patents of the United States to issue any patent granted from the application to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith; and

I HEREBY further covenant and agree that I will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to me respecting the invention in the United States, and testify in any legal proceedings in the United States, sign all lawful papers for protection of the invention in the United States, execute all divisional, reissue and continuation applications in the United States, make all rightful oaths to protect the invention in the United States, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in the United States.

IN TESTIMONY WHEREOF, I hereunto set my hand the day and year set forth opposite my signature.

Adrian STEINER
