ASSIGNMENT

WHEREAS, We, Jon Scott Walters of St. Louis, Missouri, and
Fu Du Feng of Taipei, Taiwan, have invented an improvement in
PELLET GRILL (Our File PH2 PELLET.US) and have executed an
application for a United States patent based thereon assigned
Serial No. 15/884,406, filed January 31, 2018;

AND, WHEREAS, Phase 2, LLC of St. Louis, Missouri, a
corporation of the State of Missouri (hereinafter referred to as
"ASSIGNEE") is desirous of acquiring certain rights thereunder;

NOW, THEREFORE, for one dollar and other good and valuable
consideration, receipt of all of which is hereby acknowledged,
we have agreed to and do hereby sell, assign and transfer unto
said ASSIGNEE the entire right, title and interest, including
the right to claim priority, in and throughout the United States
of America (including its territories and dependencies) and all
countries foreign thereto in and to said invention, said United
States application, any other United States applications
(including provisional, non-provisional, divisional, continuing,
or reissue applications) based in whole or in part on said
United States application or in whole or in part on said
invention, any foreign applications based in whole or in part on
any of the aforesaid United States applications or in whole or
in part on said invention, and any and all patents (including
extensions thereof) of any country which have been or may be
granted on any of the aforesaid applications or on said
invention or any part thereof;

TO BE HELD AND ENJOYED by said ASSIGNEE, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made;

AND We hereby authorize and request the Director of the United States Patent and Trademark Office of the United States of America to issue any and all United States patents which may be granted upon said United States applications or any of them, or upon said invention or any part thereof, to said ASSIGNEE;

AND We hereby jointly and severally agree for ourselves and for our respective heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissues, or other applications for patents of any country, that may be deemed necessary by said ASSIGNEE fully to secure to said ASSIGNEE its interest as aforesaid in and to said invention or any part thereof, and in and to said several patents or any of them;

AND We hereby jointly and severally covenant for ourselves and our respective legal representatives that we have granted no right or license to make, use or sell said invention, to anyone except said ASSIGNEE, that prior to the execution of this deed our right, title and interest in said invention had not been otherwise encumbered, and that we have not executed and will not execute any instrument in conflict herewith.

IN WITNESS WHEREOF, we have hereunto set our hands.
