THIS ASSIGNMENT, by: **Jin-Woo Han, 5450 Mayme Ave., Apt. #30, San Jose, California 95129 and Yuniarto Widjaja, 1657 Curtner Avenue, San Jose, California 95125**, (hereinafter referred to as the assignors).

WHEREAS, the said assignors have invented certain new and useful improvements in:

**MEMORY DEVICE COMPRISING ELECTRICALLY FLOATING BODY TRANSISTOR**

  x   for which a provisional application for a United States Patent was filed on, 03/09/2013 as Provisional Application No. 61/775,521, and for which an application for a United States Patent was filed on 03/10/2014 as Application No. 14/203,235;

       For which an application for a United States Patent was executed on \_\_\_\_\_, and

WHEREAS, **ZENO SEMICONDUCTOR, INC., at 10517 San Felipe Rd, Cupertino, California 95014** (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said invention, said provisional application and said application for a United States Patent, and in and to any Letters Patent or Patents United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the assignee, its successors, legal representatives and assigns, assignor's entire right, title and interest in and to the above-mentioned invention, provisional application, application for a United States Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and behalf and the use and behalf of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignors, are the only lawful owners of the entire right, title and interest in and to said invention, provisional application and the application for a United States Patent above-mentioned, and that the same are unencumbered and that said assignor has good and full right and lawful authority to sell and convey said assignor's entire ownership rights in the same in the manner herein set forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that said assignor will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, said provisional application, or said application for a United States Patent, or any proceeding in connection with Letters Patent for said invention in any country, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said invention and the Letters Patent to be issued thereon for the sole use and behalf of said assignee, its successors, legal representatives and assigns.
