ASSIGNMENT

WHEREAS, I (we), Ryan Paul Fellows, of 2212 Sabrina Dr., Hollister, CA 95023, and Jay Leonard Jacobson, of 2246 Park Place, Suite B, Minden, NV 89423 (hereinafter "Inventor(s)") have invented a certain invention entitled TRIGGER-CYCLED FIREARM for which I am (we are) making application for Letters Patent of the United States, said application having been executed by me on:

December 3, 2019; and
month application signed date

WHEREAS, Franklin Armory Holdings, Inc., a corporation organized under the laws of the State of Nevada, having a place of business at 2246 Park Place, Suite B, Minden, NV 89423 (hereinafter "Company"), is desirous of acquiring an interest therein:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I (we), the Inventor(s), hereby sell, assign and transfer to the Company, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by the Company, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to the Company, or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid the Company, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.
