THIS ASSIGNMENT is effective the 9th day of June 2017

PARTIES

DePuy International Ltd of St Anthony's Road, Leeds GB-LS11 8DT ("the Assignor"), and

DePuy Ireland Unlimited Company of Loughbeg, Ringaskiddy, County Cork, Ireland ("the Assignee").

BACKGROUND

A: By virtue of employment of the inventors or of a contract or both, the Assignor is the owner of patent and other rights in the invention which is the subject of DePuy invention disclosure no. IN161065 & DEP6765 (copies attached) ("the Invention").

B: The parties to this Assignment have agreed that all of the Assignor's rights in the invention should be transferred to the Assignee, in particular so that patent protection for the invention shall, where permitted by law, be applied for in the name of the Assignee and shall be owned by the Assignee.

OPERATIVE PROVISIONS

1. Being in receipt of good and valuable consideration, the Assignor as beneficial owner hereby assigns to the Assignee, and the Assignee hereby accepts all of its rights in the invention so that patent protection for the invention shall, where permitted by law, be applied for by the Assignee and so that the Assignee shall be the owner of all patents which are granted in respect of the invention.

2. The Assignor covenants with the Assignee that it will at the request and expense of the Assignee execute any further document that the Assignee may reasonably require to enable the Assignee to become registered in any Register of Patents as owner of all patents

and applications for patents which relate to the invention, and that it will take all reasonable steps to ensure that its employees and parties with whom it has a contractual relationship will execute any such document.

IN WITNESS WHEREOF the parties have executed this Assignment from the effective date written above.
