ASSIGNMENT

In accordance with my/our obligations under an Employment Agreement or (as applicable) arising out of other agreements, and/or for other good and valuable consideration of which I/we acknowledge receipt, I/we,

David L. CARROLL of 5173 Laurel View Drive
Winston-Salem, NC 27104
US

hereby assign to **Wake Forest University**, (hereinafter referred to as Assignee) having an address at c/o Wake Forest Innovations, Medical Center Blvd., Box# 573186, Winston-Salem, NC 27157, USA, its successors and assigns my (our) entire respective right(s), title(s) and interest(s) in and to the invention and improvements invented and originated by me/us and described in the application for patent currently entitled:

OPTOELECTRONIC DEVICES AND APPLICATIONS THEREOF

- ☐ executed concurrently herewith and filed in _____,
☒ filed on April 29, 2014 having Serial Number 14/232,080, filed in the United States,

and any and all applications for patent and patents therefrom in any and all countries, including all divisions, continuations, reexaminations and reissues thereof, and all rights of priority resulting from the filing of the above identified application, and authorize and request any official whose duty it is to issue patents, to issue any patent on said inventions and improvements resulting therefrom to said Assignee, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Assignee, I/we will communicate to said Assignee or its representatives or nominees any facts known to me/us respecting said inventions and improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, reexamination and reissue applications, make all rightful oaths and generally do everything possible to aid said Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for said invention and its improvements in all countries.

I/we, an inventor signing below, hereby authorize and request the Assignee's U.S. attorneys associated with U.S. Patent and Trademark Office Customer Number 153900 to insert the application number and filing date, when known, into the assignment for this invention.
