AGREEMENT FOR ASSIGNMENT OF INVENTION

This "Assignment", effective the 4th day of July 2016 by and between

Allnex Resins UK Ltd, having its registered seat at North Woolwich Road, West Silvertown London, Greater London E16 2AF, United Kingdom ("Assignor"),

and

Allnex Netherlands B.V., having its registered seat at Synthesebaan, 1, 4612 RB Bergen op Zoom, Netherlands ("Assignee").

WHEREAS, Assignor is a co-owner of the certain interests or rights in the inventions disclosed herein("the Invention"),

WHEREAS, Assignee in its capacity as the main co-owner of the interests or rights in the Invention, is desirous of obtaining the full rights, title and interest in and to the Invention ,

WHEREAS, Assignor is agreeable to assigning its partial interest or rights in the Invention to the Assignee,

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor and Assignee agree as follows:

Art. 1 – Sale and Assignment

Assignor sells, assigns, and transfers to Assignee as of the date listed in the Schedule 1 ("Effective Date"), all right, title and interest in the Invention, so that the Assignee is able to register unfettered Patent Rights in its sole name, including specifically the right to claim priority from said Inventions as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made, together with all claims for damages by reason of past infringement of the Invention with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives.

Art. 2 – Assignor Covenants

Assignor hereby covenants that it has full right to convey the rights herein assigned, and that it has not executed, and will not execute, any agreements in conflict herewith.

Art. 3 – Consideration

As consideration for the Invention Assignee shall pay the price listed in the Schedule 2 ("Consideration"). The Consideration shall be payable upon completion of the Assignment within 30 days from the respective date of invoice.

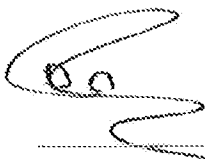

Art. 4 - Miscellaneous

This Assignment may be executed in any number of counterparts, each of which will be deemed an original, but all of which together constitute one and the same instrument. Executed signature pages to this Assignment may be delivered by facsimile, or by email in portable document format (.pdf) and delivery of the signature page by such method will have the same effect as if the original signature had been delivered by the sending party to the receiving party.

IN WITNESS WHEREOF Assignor and Assignee have caused their respective corporate and legal names to be hereto signed.
