Confirmatory Assignment Agreement

THIS CONFIRMATORY ASSIGNMENT AGREEMENT ("Agreement") is entered into with retroactive effect as of March 30, 2019 (Effective Date) between:

- (1) Syngenta Seeds, LLC, a Delaware limited liability company having its registered offices at 2001 Butterfield Road, Suite 1600, Downers Grove, IL 60515 (hereinafter "Assignor") and
- (2) Syngenta Crop Protection AG, a company duly organized and existing under the laws of Switzerland, having its registered offices at Rosentalstrasse 67, 4058 Basel, Switzerland, (hereinafter "Assignee")

WHEREAS:

Assignor acquired by separate assignment certain intellectual property rights from Abbott & Cobb, a Delaware corporation and ACAABCO Holdings, LLC, a Delaware limited liability company (collectively, "A&C IP") with effect as of March 30, 2018;

Assignor has entered into a separate Sale and Assignment Agreement to sell, assign and transfer legal title to the A&C IP to Assignee with effect as of March 30, 2018;

This Agreement is executed to confirm said sale, assignment and transfer of the A&C IP from Assignor to Assignee and to effectuate the recordation of such transfer in the relevant intellectual property offices.

NOW IT IS AGREED as follows:

1. DEFINITIONS

"IP Rights" means Assignor's utility patents, applications thereof and rights to file applications thereof (including all divisional applications, continuations and continuations in part), and other rights and interests (including through contracts with third parties), inventions, proprietary information, research and development results, technologies, scientific, technical, and engineering data and literature, formulae, and all other know-how, as listed in Appendix I to this Agreement.

2. ASSIGNMENT

Assignor HEREBY ASSIGNS to Assignee, free from any and all liens, charges, security, licenses, and other encumbrances whatsoever, legal title to the IP Rights, including all rights, powers, liberties, immunities, and advantages attaching to them. Assignee HEREBY ACCEPTS SUCH ASSIGNMENT.

3. FURTHER ASSURANCE

Assignor HEREBY COVENANTS to Assignee that Assignor will:

- 3.1 execute any document or do any act or thing which may be reasonably necessary under the law of any country for completing the transfer of legal title to the IP Rights assigned by section 2 above to Assignee, including without limitation entering into any confirmatory documentation as Assignee may reasonably require to promptly register the rights assigned herein on all the appropriate registers or otherwise enjoy the full benefit of the property and rights hereby assigned;
- 3.2 at the request of Assignee, at its own expense, send to Assignee by courier, as soon as reasonably practicable, a complete copy of Assignor's prosecution file for each of the IP Rights;
- 3.3 instruct its agents, as of the Effective Date, to direct all correspondence regarding the IP Rights to Assignee.

4. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of Switzerland. The parties hereby submit to the exclusive jurisdiction of the competent courts of the city of Basel.

IN WITNESS WHEREOF, the parties have executed this Agreement in duplicate originals by their duly authorized representatives.
