ASSIGNMENT

WHEREAS, Golden Calf Company LLC ("Assignor"), a business entity organized and existing under the laws of the State of Wisconsin, and having its principal offices at 21677 27th Street, Bloomer, Wisconsin 54724, is the owner of U.S. Application No. 16/581,103, filed September 24, 2019, entitled TRADESHOW DISPLAY CRATE.

WHEREAS, TRADESHOW FAIRY LLC ("Assignee"), a business entity organized and existing under the laws of the State of Wisconsin, and having its principal offices at 21677 27th Street, Bloomer, Wisconsin 54724, is desirous of acquiring the entire right, title and interest in and to said invention, said utility application and in, to and under any and all Letters Patent to be obtained therefrom.

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, our entire right, title and interest in and to said invention, said application, all applications claiming priority to said application including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue therefrom, including all reissues or extensions of such patents including all of our rights under the International Convention and further including the right to sue, counterclaim and recover for past, present and future infringement of the rights assigned or to be assigned, as fully and entirely as the same would have been held by the Assignor if this assignment had not been made, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

Upon said consideration Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor or its executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
