ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, **ALEXANDER DRAGOJLOV**, Chatham, Ontario, CA; **MITCHELL KOUPAL**, Auburn Hills, Michigan, US, do hereby sell, assign and transfer, unto Continental Automotive Systems, Inc., a corporation of the State of Delaware, having its principal office in One Continental Drive, Auburn Hills, MI 48326, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in

COMBINATION MULTI-PORT VALVE

described, illustrated and claimed in a provisional patent application US Serial No. **62/594,841** filed on **December 5, 2017**, Docket No. **2017P05564 US01**, together with the entire right, title and interest in and to any non-provisional patent application that claims priority to the provisional patent application, and in and to Letters Patent which may be issued upon the non-provisional application, and upon any division, extension, continuation or reissue of the non-provisional application, including the right to collect damages from any past infringement of such Letters Patent.

We hereby also sell, assign and transfer unto Continental Automotive Systems, Inc., the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and We further authorize Continental Automotive Systems, Inc. to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid non-provisional application, division, extension, continuation or reissue, to Continental Automotive Systems, Inc., for the sole use and benefit of Continental Automotive Systems, Inc., its successors, assigns and legal representatives, to the full end of the term for which any Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to Continental Automotive Systems, Inc.

We agree that, when requested, we will, without charge to Continental Automotive Systems, Inc., but at its expense, sign all papers, take all rightful oaths, and do all acts which may be

necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in Continental Automotive Systems, Inc., its successors, assigns and legal representatives or nominees.

We covenant with Continental Automotive Systems, Inc., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
