ASSIGNMENT OF INTELLECTUAL PROPERTY

This **ASSIGNMENT OF INTELLECTUAL PROPERTY** ("Assignment") is made effective this 10th day of December, 2019,

Valmond J. St. Amant, III, an individual domiciled in St. Amant, Louisiana ("Assignor");

Pursuant to the terms and conditions of the Employment Agreement between Assignor and A+ Manufacturing, L.L.C. (the "**Company**"), a limited liability company organized under the laws of the State of Louisiana (the "**Employment Agreement**"), and as directed by the Company, Assignor hereby transfers all right, title and interest possessed by Assignor in the patent or patent application identified below to **Mayeaux Holding, L.L.C.**, a limited liability company organized under the laws of the State of Louisiana ("**Assignee**");

1. Assignment. In accordance with the Employment Agreement, and in consideration of the compensation paid to Assignor by the Company, Assignor hereby assigns and transfers to Assignee all right, title, and interest for the United States and its territorial possessions, and in all other countries, including rights to claim priority, in and to the patents and/or patent application identified on the attached Exhibit "A," all original and reissued patents granted therefore, and all divisions and continuations and continuations-in-part thereof, including the subject matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents in countries foreign to the United States, and in and to any Letters Patent which may be granted thereon in such foreign countries, and authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to successors, assigns, nominees or other legal representatives, as assignee and owner of the said entire interest and covenant.

2. Warranties and Representations. Assignor hereby warrants and represents that no assignment, sale, agreement, or other encumbrance has been or will be made or entered into which would conflict with this assignment. Assignor further covenants that Assignee shall, upon its request, be provided promptly with all pertinent facts and documents relating to the aforementioned patent application as may be known and accessible to Assignor, and will testify as to the same in any interference, litigation, or proceeding related thereto, and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments, or affidavits required to apply for, obtain, maintain, issue, and enforce any issued patent on, the patent application (including, but not limited to, short-form recordable assignments for the government of any country) which may be necessary or desirable to perfect this assignment or carry out the purposes thereof.

IN WITNESS WHEREOF, we have hereunto set hand and seal this 10th day of December, 2019.
