INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This **INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT** (this “Assignment”) made as of August 30, 2019 (the “Effective Date”), by and between TRIAD RESOURCE TECHNOLOGIES, LLC, a Georgia limited liability company with an address at 788 Prince Avenue, Suite 2, Athens, Georgia 30606 (“Assignor”) on the one hand, and ISOAGE TECHNOLOGIES, LLC, a Georgia limited liability company with an address of 788 Prince Street, Suite 2, Athens, Georgia 30606 (“Assignee”) on the other hand.

WHEREAS, Assignor and Assignee have entered into that certain License, Manufacturing and Distribution Agreement, dated as of June 1, 2012, including that certain First Addendum, dated September 23, 2014, pursuant to which Assignor licensed to Assignee certain intellectual property owned by Assignor, including but not limited to the issued patents, patent applications, trademark registrations, and trademark applications listed on Schedules A and B, respectively (such intellectual property and any other Assignor-owned intellectual property used by Assignee collectively, the “Triad Intellectual Property”); and

WHEREAS, Assignor has agreed to transfer and assign all of its right, title and interest in and to all Triad Intellectual Property to Assignee, and Assignee has agreed to accept such transfer and assignment.

NOW, THEREFORE, in consideration of the above premises, and for other good and valuable consideration, the respective receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Assignment and Assumption. Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee, and Assignee purchases, acquires and accepts from Assignor, all of Assignor’s right, title and interest in and to the Triad Intellectual Property, including but not limited to the issued patents, patent applications, trademark registrations, trademark applications and domain names listed on Schedules A and B, along with all goodwill related thereto and all income, royalties, damages and payments due or payable as of the Effective Date or thereafter with respect thereto (including damages and payments for past, present or future infringements or misappropriations thereof, the right to sue and recover for past, present or future infringements or misappropriations thereof and any and all corresponding rights that now or hereafter may be secured throughout the world, and all copies and tangible embodiments thereof).

2. Recordation. Assignor hereby requests, as applicable, the U.S. Patent and Trademark Office and the patent and trademark offices of any other jurisdictions covered by the Triad Intellectual Property to record this Assignment and to issue all registrations and renewals for the Triad Intellectual Property to Assignee in accordance with the terms of this Assignment.

3. Further Assurances. From time to time after the date hereof, upon the reasonable request of any party hereto (or its successors or assigns), the other party or parties hereto shall execute and deliver or cause to be executed and delivered such further instruments of conveyance, assignment, transfer, acceptance and assumption, and take such further action as the

requesting party may reasonably request, in order to fully effectuate the purposes, terms and conditions hereof.

4. Counterparts. This Assignment may be executed in several counterparts, each of which shall be deemed an original, but such counterparts shall together (when executed and delivered) constitute but one and the same instrument. This Assignment may be executed and delivered in counterpart signature pages executed and delivered via facsimile transmission or by e-mail transmission in Adobe portable document format, and any such counterpart executed and delivered via facsimile transmission or by e-mail transmission in Adobe portable document format shall be deemed an original for all intents and purposes.

5. Effectiveness. This Assignment will be effective immediately prior to 11:59 p.m. Central Time on the Effective Date (the "Effective Time").

6. Benefit; Assignment. This Assignment shall be binding upon and inure to the benefit of Assignee and Assignor and their respective successors and permitted assigns.

7. Amendment. No amendment, supplement, modification, waiver or termination of this Assignment or any provision hereof shall be binding unless executed in writing by the party to be bound thereby.

8. Headings. The headings set forth in this Assignment are inserted or used for convenience of reference only and shall not control or affect the meaning or construction of the provisions of this Assignment.

9. Governing Law. This Agreement shall in all respects be construed in accordance with and governed by the substantive Laws of the State of Delaware, without reference to its choice of law rules or to the choice of law rules of any other jurisdiction.
