WHEREAS,

**LAFRANCE, Christian**

hereinafter referred to as the "Assignor", whose full post office address is

**4000 St-Ambroise Street, Suite 389, Montreal, Québec, H4C 2C7, Canada,**

has made one or more inventions relating to and entitled:

**System and Method for Exposing and Integrating Multiple Supply Chain and Delivery Networks to Optimize Capacity Utilizations**

hereinafter referred to as the "Invention", as fully set forth and described in an application for Letters Patent identified as:

Country: **U.S.A.**

Serial number: **62/527,584**

Filing date: **June 30, 2017;**

hereinafter referred to as the "Application";

AND WHEREAS,

**Développement PI Inc.**

hereinafter referred to as the "Assignee", whose full post office address is

**4000 St-Ambroise Street, Suite 389, Montreal, Québec, H4C 2C7, Canada,**

desires to acquire the Assignor's entire right, title and interest in and to the Invention and the Application;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor confirms that it has, as of **June 30, 2017**, sold, assigned, transferred and set over, and for greater certainty, does hereby sell, assign, transfer and set over to the Assignee, its successors, assigns, or legal representatives, its entire right, title and interest for Canada, the United States and all other countries throughout **the World** in and to the Invention, together with its entire right, title and interest in and to the Application and any and all Letters Patents that may issue for the Invention, including any and all divisions, reissues, continuations and extensions of the Application, to the full end of the term for which each of said Letters Patents may be granted, and including any right to claim priority based on the Application, the same to be held and enjoyed as fully and completely as the same would have been held and enjoyed by the Assignor had this Assignment not been made;

AND the Assignor, on behalf of itself and its executors and administrators, does hereby covenant and agree to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications and other instruments as may

reasonably be required by the Assignee, its successors, assigns, or legal representatives, to obtain any and all Letters Patents for the Invention and vest the same in the Assignee, its successors, assigns, or legal representatives;

AND the Assignor, on behalf of itself and its executors and administrators, does hereby authorize the Assignee, its successors, assigns, or legal representatives, including its Patent Agents, Blake, Cassels & Graydon LLP, to amend this assignment to insert or correct the filing date, serial number or other identifying information of the Application as may be needed to record this assignment.
