PATENT ASSIGNMENT

This Assignment is made by Sandra Kroposky (hereinafter "Assignor"), to Ketan Desai and Scott Alan Weisenfluh of Taylor, Pennsylvania (hereinafter "Assignees").

WHEREAS, Assignor has co-invented, and is the co-owner, with the Assignees, of the entire right and title in, certain new and useful improvements concerning **Emu Oil in Combination with Other Active Ingredients for Treating Skin Imperfections** as outlined in Schedule A attached hereto.

AND, WHEREAS, Assignees desire to acquire the entire right, title, and interest in the invention and improvements on the invention, and in Letters Patent on the same when granted in any and all countries.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor by these presents does hereby sell, assign, transfer, and convey unto the Assignees, their successors and assigns, all right, title, and interest that she has in and to the invention, and in any improvements on the invention previously or in the future made or acquired by Assignor, and to all rights of priority to the same pursuant to the International Convention for the Protection of Industrial Property, and in and to any and all patent applications filed on the invention, and in and to any and all continuations, continuations-in-part, or divisions of any United States or foreign patent applications filed on the invention, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, the same to be held and enjoyed by said Assignees, their successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor hereby requests that said Letters Patent be issued in accordance with this Assignment.

Assignor further covenants and agrees, and likewise binds, her heirs, legal representatives and assigns, to promptly communicate to said Assignees or their representatives any facts known to her relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested
