DECLARATION (37 CFR 1.63) FOR UTILITY OR DESIGN APPLICATION USING AN APPLICATION DATA SHEET (37 CFR 1.76) AND ASSIGNMENT FOR SINGLE ASSIGNEE

Title of Invention	Piping and Conduit Support Rack
As the below named inventor, I hereby declare that:	
This declaration <input checked="" type="checkbox"/> The attached application, or	
is directed to: <input type="checkbox"/> United States application or PCT international application number _____ filed on _____	
The above-identified application was made or authorized to be made by me.	
I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.	
WHEREAS, <u>Unique Metal Solutions, LLC</u> (hereinafter referred to as "ASSIGNEE") having places of business at: <u>5 Log Cabin Ln, Labadie, MO 63055</u> , is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries;	
NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, I, by these presents do sell, assign and transfer unto said ASSIGNEE, the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application) and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.	
I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, its (his) successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.	
Further, I agree that I will communicate to said ASSIGNEE or its (his) representatives any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid said ASSIGNEE, its (his) successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.	
I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

PATENT ASSIGNMENT

This Patent Assignment (this "**Assignment**"), is dated as of April 29, 2019, by Unique Metal Solutions, LLC, a Missouri limited liability company ("**Assignor**"), in favor of Robroy Industries-Texas, LLC, a Texas limited liability company ("**Assignee**").

WHEREAS, Assignor is selling certain assets to Assignee, pursuant to that certain Asset Purchase Agreement, dated as of the date hereof, between Assignor, Assignee, and Julie A. Meyer, the sole member of Assignor (the "**Purchase Agreement**");

WHEREAS, the Purchase Agreement contemplates that Assignee will purchase from Assignor, certain inventions, patents and patent applications referred to on Schedule A attached hereto (collectively, the "**Patents**");

WHEREAS, Assignor is the owner of the entire right, title and interest in and to the Patents; and

WHEREAS, Assignee is desirous of acquiring the entire right, title, and interest in and to the Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. **Assignment.** Assignor hereby irrevocably sells, assigns and transfers to Assignee the entire right, title and interest in and to said Patents (as set forth on Schedule A) including, but not limited to, (a) all inventions and improvements disclosed therein, (b) all letters patent or similar legal protection granted therefore in the United States and its territorial possessions and in all foreign countries, unions, or regions, including all rights of priority, (c) all continuations, divisions, continuations-in-part, substitutions, reissues, renewals, substitutes, and extensions thereof and applications therefor and (d) all rights to enforce including, but not limited to, the right to sue and collect damages for any past, present or future infringements thereof, throughout the world.
2. **Further Assurances.** Assignor covenants that when requested by Assignee, and without further consideration, but at the sole cost and expense of Assignee, Assignor will promptly execute and deliver to Assignee or its legal representative any and all instruments or affidavits required to apply for, obtain, maintain, issue, enforce and to perfect title to any of the Patents.
3. Assignor hereby constitutes and appoints Assignee, and its successors and assigns, the true and lawful attorney or attorneys in fact of Assignor, with full power of substitution, for it and in its name and stead or otherwise, to institute and prosecute from time to time, any proceedings at law, in equity, or otherwise, that Assignee, or its successors or assigns, may reasonably deem proper in order to assert or enforce any claim, right, or title of any kind in and to the Patents, and to defend and compromise any and all actions, suits, or proceedings in respect of any of the foregoing, and generally to do any and all such acts and things in relation thereto as Assignee, or its successors or assigns, shall reasonably deem advisable, including, but not limited to, the execution and delivery of any and all assignments and instruments in furtherance hereof. Assignor declares that the appointment hereby made and the powers hereby granted are coupled with an interest and shall be irrevocable by Assignor.
4. **Counterparts.** This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

5. **General.** The parties hereto acknowledge and agree that this Assignment is entered into pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of the parties with respect to the Patents. This Assignment is binding on the Assignor and its respective successors and assigns, and inures to the benefit of the Assignee and its successors and assigns. This Assignment shall be deemed to be made and in all respects shall be interpreted, construed and governed by and in accordance with the laws of the State of Texas without regard to the conflicts of laws principles thereof.
