ASSIGNMENT

WHEREAS, WE, Ryan ESCURE having a mailing address of **1000 Vogelsong Road, York, Pennsylvania 17404, United States of America**, and William REICHARD, having a mailing address of **1000 Vogelsong Road, York, Pennsylvania 17404, United States of America**, hereinafter referred to as the ASSIGNORS, are the joint inventors of certain inventions or improvements for which we have made application for Letters Patent to the United States, identified as Application No. **16/688,474** filed **November 19, 2019**, entitled **ANCHORING SYSTEM FOR A FENCE**; and

WHEREAS, TRANSGARD LLC, a limited liability company of Iowa, having a mailing address of **1000 Vogelsong Road, York, Pennsylvania 17404, United States of America**, hereinafter referred to as the ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said application, and to any patent application(s) corresponding thereto, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged and intending to be legally bound hereby, we, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, to said ASSIGNEE, the entire right, title and interest in and to said inventions or improvements and said application and any and all corresponding patent application(s), and continuations, divisions and renewals of, and substitutes for, said corresponding application(s), and in, to and under any and all Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patent, including the full right to sue for and collect damages for past violations of provisional rights having arisen from any publication of said applications or any continuations, divisions or renewals of, or substitutes for, said application. We further assign to and authorize said ASSIGNEE to file in our names corresponding patent applications for Letters Patent in all countries, the same to be held and enjoyed by said ASSIGNEE, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made.

AND we hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application, said corresponding patent application(s), and said Letters Patent to said ASSIGNEE, its successors, assigns, nominees or legal representatives, and we agree to communicate to said ASSIGNEE, or to its nominee, all known facts respecting said inventions or improvements, said application, said corresponding patent application(s), and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything

possible to aid said ASSIGNEE, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries.

AND we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to said ASSIGNEE, as ASSIGNEE of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, I have hereunto set my hand and seal.
