**ASSIGNMENT**  
(World Wide Patent Rights)

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I, Douglas W. Mirth, hereby sell, assign and transfer to LaSalle Bristol Corporation, a corporation of the State of Indiana, having its principal office at 601 County Road 17, Elkhart, Indiana 46516, its successors and assigns or other legal representatives, all right, title and interest in and to the invention entitled

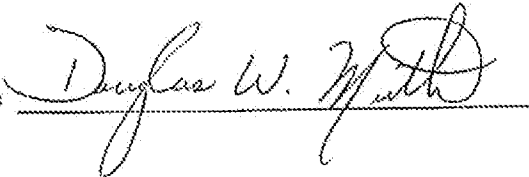

**NON-RETURN DEVICE VALVE SUPPORT MEMBER**

invented by me, and to any United States and foreign patents to be obtained therefore, and any continuations, divisionals, continuations-in-part and foreign applications and patents of and/or claiming priority to or from any of the foregoing, the said interest being the entire ownership of the invention, said U.S. Letters Patent and any foreign Letters Patent when granted, to be held and enjoyed by said LaSalle Bristol Corporation, its successors, assigns or other legal representatives, to the full end of the term for which said Letters Patents may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby agree to sign and execute any further documents or instruments which may be useful or necessary in the prosecution of the above-named applications or in the preparation and prosecution of any continuing, continuation-in-part, substitute, divisional, renewal, reexamination or reissue applications or in any amendment, as well as any papers necessary to procure foreign patents on said invention, or otherwise to secure recordable title thereto in LaSalle Bristol Corporation.
