ASSIGNMENT OF PATENT RIGHTS

THIS ASSIGNMENT, effective the 25 day of November, 2019 by and between Kustom Seating Unlimited, Inc., an Illinois corporation, 3000 Madison St., Bellwood, IL 60104, (hereunder referred to as Assignor), and KSU NA, LLC, a Delaware limited liability company qualified to do business in Illinois, of 3000 Madison St., Bellwood, IL 60104.

WHEREAS, Assignor is the owner of the entire right, title and interest in and to the patents and patent applications, and the inventions disclosed therein, (hereinafter referred to collectively as the Patent Rights) identified on the attached Schedule;

WHEREAS, Assignee is desirous of obtaining all right, title and interest in and to the inventions represented by the Patent Rights in the United States; and

WHEREAS, Assignor is agreeable to assigning to Assignee the Patent Rights in the United States.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives and assigns as of the effective date recited above, all right, title and interest in, to and under the Patent Rights in the United States, including without limitation the right to claim priority from said Patent Rights as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, together with all claims for damages by reason of past, ongoing, and future infringement of the Patent Rights with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby covenants that it has full right to convey the rights herein assigned, and that it has not executed, and will not execute, any agreements in conflict herewith.

Assignor agrees to cooperate with Assignee to effectuate and complete the Assignment set forth herein, and in the recordal of the same with the U.S. Patent & Trademark Office. Assignor further agrees to execute any additional documents that are necessary to complete the foregoing Assignment and recordal.

This assignment may be executed in any number of counterparts, each of which will be deemed an original, but all of which together constitute one and the same instrument. Executed signature pages to this assignment may be delivered by facsimile, or by email in portable document format (.pdf) and delivery of the signature page by such method will have the same effect as if the original signature had been delivered by the sending party to the receiving party.

IN WITNESS WHEREOF the said Assignor and Assignee have caused their respective corporate and legal names to be hereto signed.
