**NOTICE OF RELEASE OF
SECURITY INTEREST IN PATENTS**

This NOTICE OF RELEASE OF SECURITY INTEREST IN PATENTS (this “Release”), dated as of December 20, 2019, is delivered by Credit Suisse AG, as administrative agent and collateral agent (the “Agent”) in favor of the Grantors (as defined below).

W I T N E S S E T H:

WHEREAS, Souriau USA, Inc., a Delaware corporation (“Souriau”), and Joslyn Sunbank Company, LLC, a California limited liability company (“Joslyn” and together with Souriau, the “Grantors”), are party to the Guarantee and Collateral Agreement, dated as of June 23, 2006, as amended and restated as of December 6, 2010, as further amended and restated as of February 14, 2011, and as further amended and restated as of February 28, 2013 (as may be further amended, supplemented, or otherwise modified, the “Guarantee and Collateral Agreement”), among the Grantors, the other parties party thereto and the Agent for the Secured Parties (as defined therein);

WHEREAS, in accordance with the terms of the Guarantee and Collateral Agreement, the Grantors entered into a Patent Security Agreement, dated March 29, 2019 (the “Patent Security Agreement”), pursuant to which each Grantor granted to the Agent, for the benefit of the Secured Parties, a security interest in all of its Patent Collateral (as defined in the Patent Security Agreement), including but not limited to the patent registrations and applications set forth on Schedule A attached hereto and any written patent license agreements and all rights of such Grantor under any such agreements (the “Released Patents”); and

WHEREAS, the security interest in the Released Patents was recorded by filing the Patent Security Agreement in the United States Patent and Trademark Office at Reel 048788, Frame 0719.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Agent agrees, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Release, including its preamble and recitals, have the meanings provided or provided by reference in the Guarantee and Collateral Agreement.

SECTION 2. Release of Security Interest. The Agent hereby fully releases, discharges and terminates (a) all collateral pledges, grants, liens on and security interests in the Released Patents, and (b) any and all other rights it may have under the Guarantee and Collateral Agreement or the Patent Security Agreement with respect to the Released Patents. This Release is given without recourse to, or representation or warranty by, the Agent or any other Secured Party.

SECTION 3. Further Assurances. The Agent hereby (a) agrees that it shall, at the expense of the Grantors, execute all other documents and do all other acts reasonably necessary or requested to relinquish and effect the release of its rights in the Released Patents and (b) authorizes and requests that the United States Patent and Trademark Office note and record this

Release and any other filings reasonably necessary or requested to evidence release and termination of the Agent's rights under the Guarantee and Collateral Agreement or the Patent Security Agreement with respect to the Released Patents.

SECTION 4. Retained Collateral. For the avoidance of doubt, this Release is applicable only and solely with respect to the Released Patents, and shall not release the Agent's security interest in any other collateral arising under the Patent Security Agreement or the Guarantee and Collateral Agreement (such collateral, the "Retained Collateral"). The Agent retains all security interests, liens, rights, titles and interests pledged and granted to it under the Patent Security Agreement and the Guarantee and Collateral Agreement with respect to all such Retained Collateral, and the Agent's security interest, liens, rights, titles and interests in such Retained Collateral shall not, and shall not be deemed to, be impaired, interrupted or otherwise modified in any respect by this Release. Except as expressly modified hereby, the Patent Security Agreement and the Guarantee and Collateral Agreement shall remain in full force and effect, each in accordance with the provisions thereof on the date thereof.

SECTION 5. Governing Law. This Release shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signature Follows On Next Page.]

IN WITNESS WHEREOF, the Agent has caused this Release to be duly executed and delivered as of the date set forth above.
