## PATENT APPLICATION ASSIGNMENT

WHEREAS, I, **Doug Hayward**, a citizen of Canada, residing at 9330-81 AVE NW Edmonton AB T6C 0X3; have invented new and useful improvements in **SLIP AND CONE ARRANGEMENT** for which we have filed as United States application:

16/722,849 filed on December 20, 2019,

(We hereby authorize and request the Company or its delegated attorneys or agents to insert above the application number and filing date of the application when known.)

WHEREAS, **Norquest Industries Inc.**, a limited liability company of Alberta, (the Company) having a correspondence address of 3911 74 Ave NW, Edmonton, Alberta, T6B 2Z7, Canada; is desirous of acquiring my entire right, title and interest in said application and our Letters Patent, which may issue thereon.

NOW, THEREFORE, it be known by all whom it may concern that for and in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, I hereby assign to the Company, both in and for the territory of the United States of America and the entire world, all our title and interest in and to said invention, patent application and any patent which may issue thereon, including all divisions, continuations, reissues, continuations-in-part and substitutions thereof, plus all priority rights for patent applications foreign to the United States of America. I further hereby assign and transfer to the Company whatever cause of action I may have for past or present infringement of said invention, together with the right to bring suit for any such infringement and to seek and receive damages and other relief arising from any such infringement.

I, HEREBY covenant and agree that I will at any time, upon the request of the Company, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention, applications and patents, and We authorize the Commissioner of Patents and Trademarks to issue Letters patent to the Company.
