Assignment

WHEREAS, I/we, **Steven GRANT** a British subject and **Philip DREW**, a British subject, both of Cambridge, Cambridgeshire, GB, invented or discovered certain improvements in **ANTIBODY POLYPEPTIDES THAT ANTAGONIZE CD40** hereinafter referred to as said invention and improvements for which a priority application **61/477,904** was filed on **21 April 2011** in the United States Patent and Trademark Office and for which a PCT international application, **PCT/US2012/034519** was filed on **20 April 2012**.

WHEREAS **DOMANTIS LIMITED**, a company incorporated in England, whose registered office is at 980 Great West Road, Brentford, Middlesex TW8 9GS, United Kingdom, is desirous of acquiring the whole right, title and interest in and to the invention and improvements, and in and to any applications for the invention and improvements and any Letters Patent to be obtained therefor, in all countries, including the United States of America, its territories and possessions;

NOW, THEREFORE, to all whom it may concern, be it known that I/we, the inventors, hereby confirm the ownership by **DOMANTIS LIMITED** of the invention and improvements and the application by operation of law and, if under the law of the United States of America I/we the inventor(s) have any ownership right, title and interest in and to the invention and improvements and the application (which I/we do not believe to be the case and claim no ownership right, title or interest in and to the invention and improvements and to the application based on the law of the United Kingdom), I/we the inventor(s) nevertheless hereby assign and transfer such ownership right, title and interest in and to the invention and improvements and to the application, including the right to claim priority from the application in respect of any subsequent applications, to **DOMANTIS LIMITED** in all countries, including the United States of America, its territories and possessions;

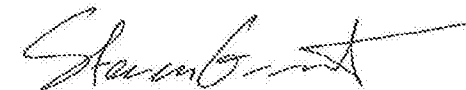

AND I/We, the inventors, hereby assign to **DOMANTIS LIMITED**, my/our whole right title and interest in and to the invention and improvements and the application, and in and to any divisional application, continuation or continuation-in-part application thereof, and in and to any Supplementary Protection Certificate, extension or re-issue thereof, and I/we the inventor(s) hereby authorise and request any patent arising therefrom, in

DB00065

all countries, including the United States, its territories and possessions, be issued to
DOMANTIS LIMITED.

AND, I/we the inventor(s) for myself/ourselves and my/our respective executors and
legal representatives hereby agree, at the request and cost of **DOMANTIS LIMITED**, to
provide information and make, execute and deliver any and all other instruments in
writing, and any and all further acts, applications, papers, affidavits, assignments and
other documents which may be possible and are necessary or desirable to more
effectually secure to and vest in said **DOMANTIS LIMITED**, its successors and assigns,
the whole right, title and interest in and to the invention and improvements hereby
assigned and transferred in all countries, including the United States of America, its
territories and possessions.

IN WITNESS WHEREOF, and with effect from 21 April 2011, I/we the inventors have
hereunto set my/our respective hand(s).
