ASSIGNMENT

WHEREAS, I, Charles F. Newby, having a residence address of 8868 William Cody Drive, Evergreen, CO 80439-6301; and I, Gregory F. Halik, having a residence address of 8440 W. Maple Glen Drive, Empire, MI 49630; and I, Matthew Kellogg, having a residence address of 5326 Grand Fir Court, Parker, CO 80134, as joint inventors, have made a certain new and useful invention relating to an **Ingress Noise Inhibiting Network Interface Device and Method for Cable Television Networks** for which an application for Letters Patent of the United States has been made, said application being identified by Application No. 12/250,229, filed October 13, 2008, and which is executed concurrently herewith, and

WHEREAS, Evolution Broadband, LLC, Assignee, a Delaware corporation, whose post office address is 7347 South Revere Parkway, Building A, Centennial, Colorado 80112, desires to acquire the entire right, title and interest in and to said invention, said application and the Letters Patent to be obtained therefor;

NOW THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto the said Assignee and said Assignee's legal representatives, successors and assigns, my entire right, title and interest in and to the above-identified patent application and invention, including all rights of priority and the right to apply for and receive all international, national and regional patents corresponding thereto, and all Letters Patent, both foreign and domestic, that may or shall issue thereon; and I do hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said Letters Patent to the above mentioned Assignee, agreeably with the term of this Assignment.

UPON SAID CONSIDERATION, I hereby covenant and agree with the said Assignee that I will not execute any writing or do any act whatsoever conflicting with

these presents, and that I will, at any time upon request, without further or additional consideration, but at the expense of the said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, renewal, reissued, reexamined or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits and declarations, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the successors, assigns and legal representatives of the parties hereto.
