ASSIGNMENT

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned **Shelly Sobel, acting as the Executor of the Estate of Martin M. Sobel, do hereby state that:**

Martin M. Sobel, an individual and citizen of USA, residing in Flemington, NJ

did invent certain new and useful improvements disclosed in **United States Patent No. 10,286,346, issued May 14, 2019** (hereinafter the "**United States Patent**"), and that Martin M. Sobel does hereby sell, assign, and transfer the above invention to:

Daka Manufacturing, LLC

a **New Jersey corporation, having a mailing address at 27 Minneakoning Rd., Suite 103, Box 11, Flemington, NJ 08822**, (hereinafter "**Assignee**"), and its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions and improvements that are disclosed in the **United States Patent** that have been executed by Martin M. Sobel prior hereto or concurrently herewith on the date indicated below and is entitled:

THREE DIMENSIONAL FILTER MEDIA FOR EXTENDED LIFE FILTER

and in and to said **United States Patent** and all design, utility, divisional, continuation, continuation-in-part, substitute, renewal, reissue, and all other patent applications that have been or shall be filed in the United States and all foreign countries of any of said inventions and improvements, and in and to all original and reissued patents that have been or shall be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority resulting from the filing of said **United States Patent** (as United States Patent Application No. 15/360,293, filed on November 23, 2016); and in all rights of priority under the International Convention for the Protection of Industrial Property for every country in the Union; agree that said **Assignee** may apply for and receive a patent or patents for said inventions and

improvements in its own name; and that, when requested, without charge to, but at the expense of, said **Assignee**, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all design, utility, divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said **Assignee**, its successors, assigns, and legal representatives all facts known to the undersigned relating to said inventions and improvements and the history thereof; and generally assist said **Assignee**, its successors, assigns, or legal representatives in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements, and all applications for patents and all patents on said improvements, in said **Assignee**, its successors, assigns, and legal representatives; and covenant with said **Assignee**, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been nor will be made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
