COVER LETTER REGARDING EXECUTED ASSIGNMENT

Commissioner for Patents
U.S. Patent and Trademark Office
Customer Service Window, Mail Stop *Assignment Division*
Randolph Building
401 Dulany Street
Alexandria, VA 22314
Sir :

The attached Patent Assignment, in which information of a confidential nature and/or not germane to the assignment of the rights in this invention have been redacted, refers to an Annex 1 for patents. Annex 1 of the Assignment is a five (5) page listing of patents being acquired by Assignee Tylerton International, Inc., and has certain listed patents and/or patent applications redacted. The undersigned has been advised that the legal name of the Assignee includes both of the company names: MetaCure Limited and MetaCure LTD.

Accordingly, as noted on the attached Recordation Cover Sheet, the Patent Assignment is being recorded to evidence the assignment of the listed US patents between Assignor MetaCure Limited or MetaCure LTD and Assignee Tylerton International, Inc.

Should there be any questions regarding this paper, please contact the undersigned at the below listed telephone number.

Respectfully submitted,
/John Preta/

Patent Assignment

This Patent Assignment is made between MetaCure Limited, a company organized under the laws of the Bermudan Islands, having its registered office at Beacon House, 43 Cedar Avenue, Hamilton Bermuda ("Assignor") and Tylerton International, Inc., a British Virgin Islands corporation with an address at Nerine Chambers, PO Box 905, Road Town, Tortola VG 1110, British Virgin Islands, ("Assignee") (collectively the "Parties").

WHEREAS, Assignor has agreed to, among other things, sell, assign, transfer, convey and deliver to Assignee its entire right, title and interest in, to and under the patents, patent applications and any and all divisions, continuations and continuations-in-part thereof, and any and all patents which may be granted thereon, including any and all renewals, reissues, extensions, reexaminations, adjustments, and prolongations (collectively the "Letters Patent(s)") set forth on the attached Annex 1.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns, transfers, conveys and delivers to Assignee, its assigns and legal representatives, all the right, title and interest of Assignor in and to the Letters Patent(s) and patent applications set forth in Annex 1 hereto, including the right to claim priority, for the United States and for all countries foreign to the United States, including any and all divisions, continuations and continuations-in-part thereof, and any and all patents which may be granted therefor and all rights to sue for past and future infringement thereunder, the Assignee and its assigns and legal representatives to have, hold, exercise and enjoy the Letters Patent(s), including any and all divisions, continuations and continuations-in-part thereof, and any and all patents which may be granted thereon, including any and all renewals, reissues, extensions, reexaminations, adjustments, and prolongations thereof, with all the rights, powers, privileges, and advantages in any ways arising from or pertaining thereto, for and during the term or terms of any and all such patents when granted, including any and all renewals, reissues, extensions, reexaminations, adjustments, and prolongations thereof, for the use and benefit of said Assignee and its assigns and legal representatives in as ample and beneficial a manner to all intents and purposes as the Assignor might or could have held and enjoyed the same, if this Patent Assignment had not been made.

AND Assignor hereby agrees to execute all papers necessary to file and claim priority to applications in the United States and for all countries foreign to the United States for the Letters Patent(s) and to assign the same to said Assignee, or any assignee acquiring title to the Letters Patent(s), and to execute any other papers at Assignee's sole cost and expense that may be needed in connection with securing further letters patents thereon.

AND Assignor authorizes and requests the Commissioner of Patents, in the United States and for all countries foreign to the United States, to issue the Letters Patent(s), and any and all divisions, continuations and continuations-in-part thereof, to Assignee, its assigns and legal representatives, in accordance herewith.

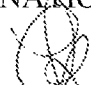

AND Assignee hereby accepts this Patent Assignment and hereby assumes all of the obligations of Assignor under the Letters Patent(s) and any and all divisions, and continuations thereof, and any and all patents which may be granted thereon, including any and all renewals, reissues, extensions, reexaminations, adjustments, and prolongations from, after and including the date hereof.

IN WITNESS WHEREOF, the Parties have caused this Patent Assignment to be duly executed on their respective behalf, by their respective officers thereunto duly authorized, all as of the day and year first above written.
