ASSIGNMENT OF RIGHTS IN PATENT APPLICATION

Assignor

Post Office Address of Assignor

DBDROP Inc.

18070 S Tamiami Trail, Unit 6
Fort Myers, FL 33908

Assignee

Principal Place of Business of Assignee

STWIP LLC

16295 S TAMIAMI TRL #164
Fort Myers, FL 33908

WHEREAS, I, the above-identified Assignor, am an applicant in the following U.S. patent and patent applications:

<u>Patent/Serial Number</u>	<u>Title</u>	<u>Date of Issue/Filing</u>
10,048,033	Device for Dampening Residual Effects from a Firearm Suppressor	August 14, 2018
16/031,483	Device for Dampening Residual Effects from a Firearm Suppressor	July 10, 2018

Hereinafter referred to as the "patent and patent applications";

And, whereas I desire to assign a 100% undivided interest in said patent and patent applications to the above-identified Assignee, and wherein said Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, that for value received, the receipt and sufficiency whereof is hereby acknowledged;

I hereby assign, sell and transfer a 100% undivided interest in the entirety of the bundle of rights, title, and interest in and to said patent and patent applications, unto said Assignee, together with all claims for damages and profits by reason of any past infringement of said letters patent and the right to sue therefor, and together with the right to file said patent and patent applications or any division, continuation, or continuation-in-part thereof in the United States or any foreign jurisdiction under the Paris Convention or the Patent Cooperation Treaty, such interests, claims, and rights, to be held and enjoyed by the Assignee for its own use and for its successors and assigns, to the full end of the term for which the patent and patents issuing from said patent applications may be granted, and

any reissues, renewals, or extensions thereof as may be granted, as fully and entirely as the same would have been held by Assignor had this Assignment and sale not been made;

And I further agree not to challenge, directly or indirectly, the patentability of said patent application or the validity of any patents that issue therefrom or are related thereto under all jurisdictions, including proceedings before the Patent Trial and Appeal Board;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said patent and patent applications;

And I further covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

And I further covenant that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said patent application as may be known and accessible to me and I will testify to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments, declarations, or affidavits required to apply for, obtain, maintain, and enforce said patent and patent applications or patent issuing therefrom which may be necessary or desirable to carry out the purposes hereof;

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Upon being duly cautioned, I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that false statements and the like so made are punishable by fine, imprisonment or both under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the patent and patent applications and any patents issuing therefrom
