INVENTION ASSIGNMENT

WHEREAS, NANORIDGE MATERIALS, INC., having a place of business at 15850 Vickery Drive, Houston, Texas 77032, U.S.A., (hereinafter "Assignor") owns all right, title, and interest in and to the invention disclosed in a U.S. Patent Application entitled MICROWAVABLE DISH, (a copy of the application is attached) and to any patents, reissues, extensions, substitutions, confirmations, divisions, and continuations of any of the foregoing, including the right to seek protection for the invention anywhere in the world (hereinafter "Invention Rights"), to have and to hold for its sole and exclusive use and benefit.

WHEREAS, Assignor has agreed to assign its entire right, title, and interest in and to the Invention Rights to WHIRLPOOL CORPORATION, having a place of business at 2000 North M-63, Benton Harbor, Michigan 49022, U.S.A. (hereinafter "Assignee").

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for and in consideration of valuable and legally sufficient consideration, the receipt of which by Assignor from Assignee is hereby acknowledged, Assignor agrees to sell, assign, and transfer and by these presents does hereby sell, assign, and transfer unto Assignee the entire right, title, and interest in, to, and under the Invention Rights; to have and to hold for the sole and exclusive use and benefit of Assignee forever, together with the right to bring a civil action under 35 U.S.C. §181 for any and all past infringement of patents and to collect damages for any and all past infringement of patents.

Assignor hereby covenants and agrees, for itself and for its respective legal representatives, to assist and cooperate with Assignee in the preparation and prosecution of any applications included within the Invention Rights and in the prosecution or defense of any interference, opposition, or other proceeding that may arise in connection with any applications or Letters Patent included within the Invention Rights and further to execute and deliver to Assignee any and all additional papers that may be requested by Assignee for the purpose of implementing the terms of this ASSIGNMENT.

Assignor hereby authorizes and empowers Assignee to invoke and claim for any applications or Letters Patent included within the Invention Rights the benefit of any rights to which Assignor might be entitled under international law or under the laws of any particular country (such as, without limitation, the right of priority provided by the International Convention for the Protection of Industrial Property, as amended) and to invoke and claim such rights without further written or oral authorization from Assignor.

Assignor hereby consents that a copy of this ASSIGNMENT shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document that may be required in any particular country for any purpose and more particularly in proof of the right of Assignee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended.

Assignor covenants and agrees that this ASSIGNMENT and all of the terms hereof shall inure to the benefit of the successors, assigns, legal representatives, or nominees of Assignee.

without further written or oral authorization from Assignors.
