REEL: 051421 FRAME: 0638

ASSIGNMENT

WHEREAS, I, Denise Crabtree of Tarpon Springs, Florida ("Assignor") am the executrix of the estate of Dennis Crabtree, a co-inventor of certain new and useful improvements in an
ORGANIC LIQUID FERTILIZER AND PROCESS OF MAKING
which is the subject of U.S. Patent No. 10,023,501 ("said Patent"), filed March 8, 2013, U.S. Patent Application No. 16/297,334, filed March 8, 2019, and European Patent Application No. 12814285.8, having an effective international filing date of July 23, 2012 ("said Applications"); and

WHEREAS, John Martin and Bill Love, co-inventors named on said Patent and said Application, and having a principal place of business at 9400 Reeds Rd., Suite 150, Overland Park, KS 66207 ("Assignees"), are desirous of acquiring the interest of Dennis Crabtree in, to and under said invention, said Patent, said Applications, and any and all Letters Patent which may be granted for or upon said invention in the United States of America or countries foreign thereto; and

WHEREAS, Assignor and Assignee have entered into an agreement to compensate Assignor for this Assignment.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Denise Crabtree, as executrix of the estate of Dennis Crabtree and having full authority to dispose of property belonging to said estate, hereby confirm that I have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Assignees, the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in said Patent and said Applications;
- (b) said Patent and said Applications;
- (c) the right to claim priority to said Patent and/or said Applications, and any and all non-provisional applications based upon or claiming the priority to said Patent and/or said Applications;
- (d) any refilings, divisions and continuations of such non-provisional applications, said Patent, and said Applications;
- (e) any and all Letters Patent of the United States of America which may issue from a non-provisional application based upon or claiming the priority of said Patent and/or said

Executed this 25 day of November, 2019.

Denise Crabtree

Applications,

- (f) any and all reissues of said Letters Patent of the United States of America;
- (g) any and all applications for Letters Patent on said invention that have been, or may be, filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;
- (h) any and all refilings, divisions, and continuations of said foreign-filed applications;
- (i) any and all Letters Patent of countries foreign to the United States of America that may issue from said foreign-filed applications, refilings, divisions, and continuations;
- (j) any and all extension of, and additions to, said Letters Patent of countries foreign to the United States of America; and
- (k) all past, present, and future damages to, and rights to enforce/defend any of the above.

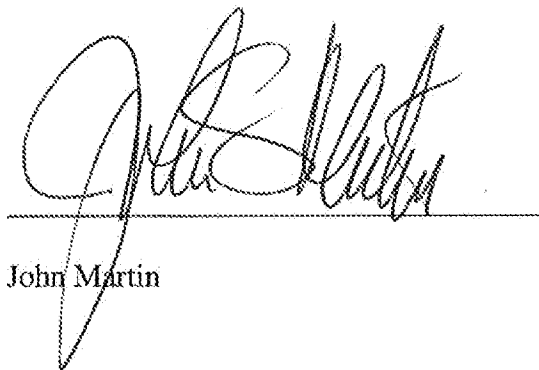

ALL of the above shall be held and enjoyed by said Assignees for their own use and behoove, and for their successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.

Assignor further agrees to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignees' rights in the rights assigned herein.

Bill Love and John Martin hereby declare that they accept the rights and property hereby assigned and transferred to them.
