(hereinafter referred to as Assignors), have invented a certain invention entitled:

SYSTEMS AND PROCESSES FOR RECOVERING A VAPOR FROM A VESSEL

enclosed herewith, or for which application for Letters Patent in the United States was filed on December 5, 2019, having Serial No. 62/944,198; and

WHEREAS, SOFEC, Inc., a Corporation, having a place of business at 15011 Katy Freeway, Suite 500, Houston, Texas, 77094 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said application (hereinafter referred to as Application), and the invention disclosed therein, (hereinafter referred to as Invention), and in and to all embodiments of the Invention, heretofore conceived, made or discovered by said Assignors, and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter referred to as Patents) thereon granted in any and all countries and groups of countries.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said Assignors to have been received in full from said Assignee:

1. Said Assignors hereby sell, assign, transfer, and convey to Assignee the full and exclusive right, title, and interest (a) in and to said Application and said Invention; (b) in and to

all rights to apply for Patents on said Invention in the United States and all foreign countries, patent offices, or organizations; (c) in and to any and all Applications filed and any and all Patents granted on said Invention, including each and every Application filed and each and every Patent Granted on, and any subsequent applications, continuations, continuations-in-part, divisions, and substitutions thereof; and (d) in and to each and every reissues, reexaminations, and extensions of any of said Patents.

2. Said Assignors hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest to said Invention herein conveyed in any and all countries and groups of countries. Such cooperation by said Assignors shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications from said Invention; (d) for filing and prosecuting applications for reissuance of any of said Patents; (e) for interference or other priority proceedings involving said Invention; and (f) for legal proceedings involving said Invention and any applications therefor and any Patent granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions, past infringement damages, and court actions; provided, however, that the expense incurred by said Assignors in providing such cooperation shall be paid by said Assignee.

3. The term and covenants of this agreement shall inure to the benefit of said Assignee and its successors, assigns and other legal representatives, and shall be binding upon said Assignors and their respective heirs, legal representatives and assigns.

4. Said Assignors hereby warrant and represent that they have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.
