ASSIGNMENT

WHEREAS, Shengxian TU, Jun BU, and Xinkai QU (hereinafter the "Assignors") have invented certain new and useful invention(s) (hereinafter, the "Invention") having been described in a patent application entitled:

"Graphical user interface for display devices (data analysis layout)"

and WHEREAS, at least the following patent applications have been filed for this Invention (hereinafter the "Applications"):

Application number	Country
201930372233.8	CN

WHEREAS, PULSE MEDICAL IMAGING TECHNOLOGY (SHANGHAI) CO.LTD., a company organized and existing under the laws of China, and having offices at Room 402, Building 2, No 481 Guiping Road, Xuhui District, Shanghai 200000 China ("Assignee"), is desirous of acquiring the entire, right, title and interest in and to the Invention, the Applications, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained thereof and therefrom;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to the Assignors in hand paid, and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignors transfer to Assignee, its successors and assigns, their entire rights, title and interest in and to the Invention, the Applications, corresponding domestic and foreign patent applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and Assignors authorize the Commissioner of Patents and Trademarks of any of the states in which any of the Applications, or any foreign equivalent thereof, were or will be filed, to issue the Letters Patent or similar legal protection to the Assignee;

Assignors authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all countries;

Assignors represent to the Assignee, its successors and assigns, that they have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. Assignors, and their executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute

such additional writings and do such additional acts as the Assignee, or its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the letters Patent or similar legal protection on the invention in any and all countries.

Assignors authorize and request that any Official of Office of any country or countries, whose duty is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

Assignors covenant and agree that they have full right to convey the entire interest herein assigned, and have not executed, and will not execute, any agreement in conflict herewith; and

Assignors further covenant and agree that they will communicate to the said Assignee, its successors, legal representatives and assigns, any facts known respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

Assignee hereby accepts the assignment.
