## ASSIGNMENT

**WHEREAS, I, Kevin Woehr**, residing in Felsberg, Germany, have co-invented certain new and useful improvements disclosed in an application for United States Letters Patent and for patent protection in participating foreign countries, where applicable, entitled "CATHETER ASSEMBLIES AND RELATED METHODS," which claims priority to U.S. Provisional Application Nos. 62/780,830, filed December 17, 2018; 62/866,765, filed June 26, 2019; and 62/882,141, filed August 2, 2019, and related concepts.

**AND WHEREAS B. BRAUN MELSLUNGEN AG**, a corporation organized and existing under and by the virtue of the laws of Germany and having a place of business at Carl-Braun-Strasse 1, Meisingen 34212, Germany (hereafter, together with any successors, legal representatives or assigns thereof, called "ASSIGNEE") wants to acquire my entire right, title and interest in and to said improvements, related concepts, and application in the United States of America, including applications claiming priority thereto, and in any and all countries foreign thereto.

**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to ASSIGNEE my entire right, title and interest in and to said improvements, related concepts, and said application and all regular applications, divisions, and continuations thereof, and all United States Letters Patents which may be granted thereon and all reissues, reexaminations and extensions thereof, including the right to sue or otherwise bring action and to collect and receive damages therefrom, for past infringement thereof, and all priority rights under all available International Agreements, Treaties and Conventions for the protection of intellectual property in its various forms in every participating country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said invention, improvements and related concepts, where applicable, in any foreign countries, and all patents (including all continuations, divisions, extensions, renewals, substitutes, and reissues thereof) granted for said invention, improvements, and related concepts, where applicable, in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said invention, improvements, and related concepts, where applicable, to ASSIGNEE in accordance with the terms of this Assignment;

**AND I HEREBY** covenant that I have full right to convey my entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

**AND I HEREBY** further covenant and agree that I will communicate to ASSIGNEE any facts known to me respecting said invention, improvements, and related concepts, and testify in any legal proceeding, sign all lawful papers, execute all regular, divisional, continuation, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid ASSIGNEE to obtain and enforce proper patent protection for said invention, improvements and related concepts, where applicable, in all countries.
