**EXHIBIT A
PATENT ASSIGNMENT**

THIS ASSIGNMENT is made between Parker Compound Bows, Inc., a Virginia Corporation organized under the laws of the Commonwealth of Virginia, with its principal place of business at P. O. Box 105, Mint Spring, Virginia 24463 ("Assignor") and Ridgemont Outdoors, a Pennsylvania based company organized under the laws of the State of Pennsylvania, with its principal place of business at 209 Harvard Road Port Matilda, Pennsylvania 16870 ("Assignee"). The Assignor and the Assignee may be collectively referred to as the "Parties."

WHEREAS, Assignor is the owner of all right, title and interest in **United States Patent No. U.S. D641,827 issued on July 19, 2011, or the invention entitled "CAPTURE NOCK FOR CROSSBOW ARROW"**, together with the goodwill appurtenant thereto and associated therewith ("the Patent," a copy of which is appended hereto as **Exhibit A-1**);

WHEREAS, Assignee desires to acquire from Assignor the entire right, title and interest in and to the Patent;

WHEREAS, Assignor desires to convey, transfer, assign, and deliver to Assignee all of its right, title, and interest in and to the Patent;

NOW, THEREFORE, the Parties agree as follows:

1. **Assignment and Release:** For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, assigns, and delivers to Assignee all of Assignor's right, title, and interest of whatever kind in and to the Patent, together with the goodwill appurtenant thereto and associated therewith, including, but not limited to:
 - (a) the Patent and all issuances, divisions, continuation, continuations-in-part, reissues, reexaminations and renewals thereof;
 - (b) all rights of any kind whatsoever of Assignor in and to the Patent accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
 - (c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;
 - (d) and any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and

- (e) claims for damage, restitution and injunctive and other legal and equitable relief for past, present and/or future infringement, misappropriation, violation, misuse, breach or default, with the right but not the obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.
2. Technical Information and Drawings: Assignor will further convey to Assignee technical information and/or drawings received from the original owner of the Patent, Parker Compound Bows.
3. Recordation and Further Actions: Assignor authorizes the Commissioner for Patents and any other governmental official(s) to record and register this Patent Assignment upon request by Assignee. Assignor covenants that it will promptly execute all documents, papers, forms and authorizations and take all other actions that may be necessary for securing, completing, or vesting in Assignee, or any assignee or successor thereto, full right, title, and interest in and to the Patent.
4. Assignor's Representations. Assignor hereby represents and warrants that it is the legal owner of the Patent; that Assignor has the power and authority to enter into this Patent Assignment and to assign the Patent to Assignee; that as of the date hereof, no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Patent Assignment.
5. Successors and Assigns: This Patent Assignment shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and assigns.
6. Governing Law: This agreement is under the laws of the Commonwealth of Virginia and dispute hereunder shall be made in a court of competent jurisdiction within the County of Augusta, Virginia.
