PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (the "Assignment"), is entered into and made effective on July 19, 2019 (the "Effective Date"), by Paul Kieher and Thomas Kieher, (collectively, the "Assignor"), in favor of Engineered Hardware, LLC, an Ohio limited liability company ("Assignee").

RECITALS:

WHEREAS, Assignor is the record holder of the utility patents, design patents, and industrial designs listed on Exhibit A (the "Patents").

WHEREAS, Assignor desires to assign all rights, title and interest in and to the Patents to the Assignee, and Assignee desires to accept the assignment of all rights, title, and interest in and to the Patents.

NOW, THEREFORE, for valuable consideration, the receipt of which is hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor does hereby convey, assign and set over to Assignee, its respective successors, assigns or other legal representatives the exclusive right, title and interest in and to the Patents, and any divisional, continuation, continuation-in-part, reissue, foreign patent, or other patent applications based on the inventions described in the Patents on Exhibit A, in the United States and around the world, and all of the goodwill associated therewith for Assignee's exclusive use and enjoyment, together with all income, royalties or payments due or payable with respect thereto, including, without limitation, all claims of damages by reason of doubt, present or future infringement or unauthorized use of the Patents, with the right to sue for, and collect the same for, Assignee's own use and enjoyment.

2. Assignee hereby accepts the foregoing assignment of the Patents and hereby assumes all duties and obligations under the same arising from and after the Effective Date (including, without limitation, all fees and costs related to the recordation of this Assignment).

3. Assignor authorizes and requests the United States Patent and Trademark Office and any patent offices throughout the world to record Assignee as the exclusive owner of the Patents.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be duly executed and delivered as of the Effective Date.
