ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, Dr. Konstantinos Spargias, an individual, having an address at 43 Artemidos Street, 16673 Athens, GREECE ("*Assignor*"), pursuant to the terms and conditions of the Patent Purchase Agreement between Assignor and Assignee dated September 30, 2019, does hereby sell, assign, transfer and convey unto Edwards Lifesciences Corporation, a Delaware corporation, having a business address at One Edwards Way, Irvine, CA 92614 ("*Assignee*") or its designees, all of Assignor's entire right, title and interest in and to:

- (a) all patents and patent applications listed below in Schedule "A", including:
 - (1) all patents and patent applications owned by Assignor to, from or through which any patent or patent application listed in Schedule "A" claims priority
 - (2) all patents and patent applications owned by Assignor that claim priority to, from or through any existing or abandoned patents or patent applications to, from or through which any patent or patent application listed in (i) above or listed in Schedule "A"; and
 - (3) all patents and patent applications owned by Assignor deriving from or having substantially the same specifications as any patent or patent application owned by Assignor that claim priority to, from or through any existing or abandoned patents or patent applications to, from or through which any patent or patent application listed in Schedule "A" or described in Sections (i) or (ii) above, including all patents and patent applications owned by Assignor claiming priority to, from or through, any such patent or patent application; in each such case including all:
 - (A) patents, patent applications, provisional applications, continuation applications, continuation-in-part applications, divisional applications, reissue patents, reexamination patents, design patents, design patent applications and patent extensions thereof owned by Assignor claiming priority to, from or through any patent or patent application listed in in Schedule "A" or described in Sections (i), (ii), or (iii) above; and
 - (B) foreign patents, foreign patent applications, foreign counterparts including utility models and the like owned by Assignor claiming priority to, from or through any of the foregoing above;
- (b) all reissues, reexaminations, substitutions, renewals, and extensions of such patents and patent applications referred to in (a) above;
- (c) the right to apply (or continue prosecution) in any and all countries of the world for patents, design patents, utility models, certificates of invention or other governmental grants for any continuations, continuations-in-part, divisionals, reissues, reexaminations, substitutions, renewals, and extensions of such patents

and patent applications referred to in (a) and (b) above, including without limitation under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement or understanding;

- (d) all rights to causes of action and remedies related thereto, including, without limitation, the right to sue for past, present or future infringement, misappropriation or violation of rights related to the foregoing;
- (e) the rights, if any, to revive prosecution of any abandoned applications; and
- (f) any and all other rights and interests arising out of, in connection with or in relation to such patents and patent applications referred to in the sections above.
