have invented certain new and useful inventions in **BUNKER STRAP AND METHOD OF USE**, identified as GTVOOIPAT (Attorney Docket Number), and described in U.S. Patent Number: 10,226,093 issued on March 12, 2019 (Application No. 14/693,960, filed April 23, 2015). The undersigned, being an owner of all right, title and interest in and to said inventions and in and to any invention described therein, free from all prior assignments, agreements, licenses, mortgages, or other encumbrances whatsoever, and having full right to convey his entire interest both legal and equitable herein assigned; and

WHEREAS, SuperFlo SafeT Systems, LLC, a Ohio limited liability company, having a place of business at 80 Compton Road, Cincinnati, Ohio 45215 (Assignee) is desirous of acquiring the entire right, title and interest in and to said invention or inventions and any and all patents obtained or to be obtained therefore;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged by the undersigned, the undersigned does hereby sell, assign, transfer and set over unto said Assignee, its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid patent, in any form or embodiment thereof, and in and to the aforesaid patent; and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any provisional, divisional, continuation, continuation-in-part or substitute applications which has been or may be filed upon said invention or inventions in this or any foreign country; or any foreign country; and in and to the right to recover for past, present, and future infringement thereof; and the undersigned hereby authorizes; and the undersigned hereby authorizes and requests the issuing authority to issue any and all patents on said application or applications to said Assignee or its successors and assigns. The undersigned further agrees, without any further payment or compensation by said Assignee or its successors and assigns, to communicate to said Assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings, whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said Assignee, its successors or assigns and nominees to obtain and enforce proper patent protection for said invention or inventions in this or any foreign country.

IN TESTIMONY WHEREOF, the undersigned has hereunto set his hand and seal on the date set after his signature.
