ASSIGNMENT

WHEREAS I am a below named joint inventor of the invention entitled:

STABLE AND SOLUBLE ANTIBODIES INHIBITING VEGF

and described in a United States Patent Application filed with the United States Patent and Trademark Office on December 21, 2010, and further identified by Attorney Docket No. 3793 US F; for which I have executed an application for United States Letters Patent; and

WHEREAS, ESBATech, an Alcon Biomedical Research Unit LLC, a corporation organized under the laws of Switzerland and having a place of business at Wagistrasse 21, 8952 Schlieren, Switzerland, is desirous of acquiring the entire right, title, and interest in and to said inventions and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, we do hereby sell, assign, and transfer to ESBATech, an Alcon Biomedical Research Unit LLC, its legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, we hereby agree that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant and render all necessary assistance in making application for and obtaining original, divisional, continuation-in-part, reexamined, reissued, or other Letters Patent of the United States or of any and all foreign countries on said invention and in enforcing any rights in action accruing as a result of such applications or patents, said assistance to include our cooperation in all prosecution associated with obtaining such applications or patents and our provision of testimony in any proceedings or transactions involving such applications or patents, it being understood that the foregoing covenant and agreement shall bind, and insure to the benefit of, the assigns and legal representatives of assignor and assignee.

AND, we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said ESBATech, an Alcon Biomedical Research Unit LLC its legal representatives, successors, or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.
