PATENT APPLICATION

Assignment

For good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, inventor:

NOAM MEIR

hereinafter referred to as "Assignor(s)"

have made an invention(s) (the "Invention(s)") set forth in an application for patent entitled "ADJUSTABLE WHITE LIGHT ILLUMINATION DEVICES", and which is a United States non-provisional application bearing Application No. 16/425,083 and filed on May 29, 2019 and set forth in an application for patent entitled "ADJUSTABLE WHITE LIGHT ILLUMINATION DEVICES" and which is a United States International application bearing Application No. PCT/US19/34318 and filed on May 29, 2019;

Do hereby sell, assign and transfer to **Juganu Ltd.**, a limited liability company having a place of business at 16 Hamelacha St., Rosh Haain 4809139, Israel, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all provisionals, nonprovisionals, continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possession and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, act, and treaties, including all future conventions, unions, agreements, acts, and treaties;

Agree that **Juganu Ltd.**, hereinafter referred to as Assignee, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, the undersigned will execute all nonprovisionals, continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, successors, assigns, or legal representatives; and
