ASSIGNMENT AND AGREEMENT

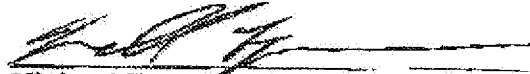

For value received, I, Michael E. Fangman of Reading in the County of Berks and State of Pennsylvania, sell, assign and transfer to CEWA Technologies, Inc. a corporation of the State of Delaware, having an office at 205 Webster Street, Bethlehem Pennsylvania 18015 U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Calibration System For Solar Collector Installation** described in an application for Letters Patent of the United States, executed by me of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to CEWA Technologies, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize CEWA Technologies, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of CEWA Technologies, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to CEWA Technologies, Inc. in the United States and in all countries foreign to the United States, or to such nominees as CEWA Technologies, Inc. may designate.

I agree that, when requested, I shall, without charge to CEWA Technologies, Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

Michael E. Fangman
