as described or intended to be described and set forth in United States Design Patent Application Serial No. 35/505,752, filed on May 3, 2018, preparatory to obtaining Design Letters Patent of the United States therefor; and

WHEREAS, JIL SANDER GMBH ("Assignee"), a company operating and existing under the laws of Germany, having a place of business at Kleine Reichenstrasse 1, 20457 Hamburg, Germany, is desirous of acquiring the entire right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof:

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over, unto the Assignee, its successors and assigns, the entire right, title and interest in and to said invention, design application, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all Assignor's foreign rights to said invention, and all Assignor's rights under the International Convention in respect to said invention and application. And Assignor hereby agrees to communicate to the Assignee or its representatives any facts known to Assignor respecting said invention and improvements, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and in addition to execute any and all documents that may be required in order that the Assignee may make application for Letters Patent on said invention in foreign countries in its own name. And Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said invention or applications unto the Assignee, its successors and assigns, in accordance with this assignment.
