PATENT ASSIGNMENT

This Patent Assignment ("Assignment") is made and entered into by and between American Education Services LLC d/b/a Pitbull Tactical, a Florida limited liability company, ("Assignor"), to Pitbull Tactical LLC, a Florida limited liability company, having a place of business at 3564 Avalon Park Blvd. E., Suite 1 #142, Orlando, Florida 32828 ("Assignee").

WHEREAS, Assignor is the owner of **U.S. Patent No. 10,537,167**, titled Self-Adjusting Variable Size Holster, issued January 21, 2020 (hereinafter referred to as the "Patent");

WHEREAS, Assignee desires to acquire the rights Assignor has in and to the invention and said Patent; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree that:

1. Assignor hereby irrevocably sells, assigns, transfers, conveys and delivers to Assignee, and Assignee hereby accepts from Assignor, all of Assignor's right, title and interest in, to and under Assignor's Patent, including, without limitation, (i) any United States, international and foreign counterparts or equivalents of any of the foregoing, applications or certificates of invention based upon or covering any portion of any of the foregoing, (ii) any reissues, divisionals, renewals, extensions, provisionals, continuations, continuations-in-part, reexaminations, substitutions or revisions of any of the foregoing, (iii) any other patents, applications or extensions that claim priority to or through any of the foregoing; (iv) any inventions disclosed in any of the foregoing; and (v) any other inventions, discoveries, proprietary designs, utility models, and applications related to the Assignor's business, in each case in the United States and elsewhere and together with all (a) income, royalties, claims for damages, profits and costs and damages and payments due or payable at the Effective Date or thereafter (including damages and payments for any past, current or future infringements of the Patent); (b) choses in action and rights to sue, recover and collect for any past, present or future infringements of the Patent; and (c) corresponding rights that, now or hereafter, may be secured throughout the world with respect to the Patent.

2. Assignor grants the attorney of record the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or rules of other entities including but not limited to United States or foreign governments or patent offices, for recordation of this document. Assignee shall have the right to file or record this Assignment and any additional assignment documents with the United States Patent and Trademark Office and any other equivalent authority, entity or agency anywhere else in the world, and Assignor hereby authorizes and request the Commissioner of Patents and Trademarks and any such equivalent authorities, entities or agencies to record Assignee as the owner of the Patent.

3. Assignor shall execute such other or additional instruments of transfer or conveyance and undertake such other or additional actions in respect of the Patents as are reasonably requested by the Assignee, including any applicable forms of assignment necessary for filing before the U.S. Patent and Trademark Office, or equivalent filings in foreign jurisdictions, to effectuate the full and complete transfer of the Patent to the Assignee.

4. This Assignment, including, without limitation, the validity hereof and the rights and obligations of the Parties hereunder, shall be construed in accordance with and governed by the laws of the State of Florida applicable to contracts made and to be performed entirely in such state without giving effect to the conflicts of laws principles thereof.

IN WITNESS WHEREOF, said Assignor has caused this Patent Assignment to be executed this 30th day of January 2020.
