ASSIGNMENT OF PATENT APPLICATION

Docket Number

INTEPLAST 3.1F-002

WHEREAS, 20/20 Customer Molded Plastics LLC, a limited liability company of the state of Nevada and having a place of business at 14620 Selwyn Drive, Holiday City, Ohio 43543 ("20/20"), is a joint owner of the following Application for Patent of the United States of America:

Appln No.	Filed	Inventor(s)	Title
29/624, 806	November 13, 2017	Yaw-kuen Lin and Douglas R. Lude	PALLET

(hereafter, "Patent Application");

WHEREAS, Inteplast Group Corporation, a corporation of the State of Texas, located and doing business at 9 Peach Tree Road, Livingston, New Jersey 07039 ("Inteplast" or "assignee"), is desirous of acquiring the right, title and interest of 20/20 in, to and under said Patent Application and any and all inventions covered thereby;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, 20/20 has assigned, transferred and set over, and does hereby assign, transfer and set over to Inteplast the entire right, title and interest for the United States of America and all other countries in and to said inventions and the aforesaid Patent Application, all original, divisional, continuation, continuation-in-part, re-examination, substitute or reissue or other applications and patents applied for or granted therefor in the United States of America and all other countries, for said inventions, including without limitation all applications and patents for said inventions claiming priority or benefit of the aforesaid Patent Application pursuant to any law or treaty, and including the right to claim such priority or benefit and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said inventions to said assignee herein, as assignee of the entire interest therein; and the undersigned for itself and its legal representatives, heirs and assigns does hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications for patents on said inventions and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said inventions, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and do generally everything necessary to aid assignee, its successors, assigns and nominees to obtain patent protection for said inventions in the United States of America and all other countries, the expenses incident to said applications to be borne and paid by said assignee. If any provision herein is unenforceable, the requirements of the provision shall remain to the full extent permissible by law and the offending portions thereof shall be deemed replaced, to the extent possible, with a provision most closely reflecting the purpose of the offending provision.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly signed on its behalf.
