ASSIGNMENT OF U.S. PATENT APPLICATION

I, the undersigned Assignor, hereby sell, assign and transfer unto **BluePoint Alert Solutions, LLC, an Illinois limited liability company having an address of 425 Renner Drive, Elgin, Illinois 60123** as Assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to:

- 1) **Apparatus, System and Methods for Providing Security Crisis Locations and Notifications**, described in the application for Letters Patent of the United States filed on **September 24, 2015** and identified as **U.S. Serial No. 14/864,377**;
- 2) **System and Methods for Providing Notification in the Event of a Security Crisis**, described in the application for Letters Patent of the United States filed on **July 15, 2014** and identified as **U.S. Serial No. 14/331,875**;
- 3) **System and Methods for Providing Notification in the Event of a Security Crisis** described in the application for Letters Patent of the United States, filed **July 15, 2013** and identified as **Provisional Application U.S. Serial No. 61/846,359**;

and the invention(s) and improvement(s) set forth therein, and any and all non-provisionals, continuations, continuations-in-part, divisionals, and renewals of and substitutes for said Letters Patent, and all the rights and privileges under any and all Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions of said Letters Patent. I request that any and all Letters Patent for said invention be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I agree that, when requested, I will, without charge to said Assignee, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said invention in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said invention filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention which may henceforth be substituted for it.

I covenant with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

IN WITNESS WHEREOF, I have hereunto signed on the day and year set forth below.
