PATENT ASSIGNMENT

This Assignment is made by Jonathan D. Sill of Delaware, Ohio and Steven A. Mayer of Indianapolis, Indiana (hereinafter "Assignors"), to Inno-Pak LLC, a corporation duly organized and existing under the laws of the State of Ohio having its principal office and place of business at 1932 Pittsburgh Drive, Delaware, Ohio 43015 (hereinafter "Assignee").

WHEREAS, Assignors have invented, or are the owners of the entire right and title in, of the patent applications listed on Schedule A attached hereto and incorporated herein by reference (collectively, the "Applications").

AND, WHEREAS, Assignee desires to acquire the entire right, title, and interest in the Applications and the inventions and improvements on the Applications, and in Letters Patents on the same when granted in any and all countries.

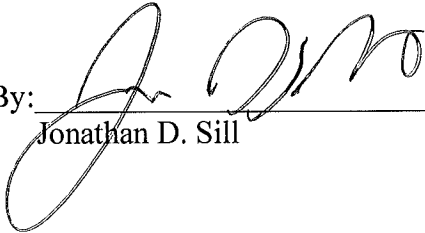

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors by these presents do hereby sell, assign, transfer, and convey unto the Assignee, its successors and assigns, the entire right, title, and interest in and to the Applications, and in any improvements on the Applications previously or in the future made or acquired by Assignors, and to all rights of priority to the same pursuant to the International Convention for the Protection of Industrial Property, and in and to any and all patent applications filed on or related to the Applications, and in and to any and all continuations, continuations-in-part, or divisions of any United States or foreign patent applications filed on or related to the Applications, and in and to any and all Letters Patents of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patents may be granted, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made.

Assignors hereby request that said Letters Patents be issued in accordance with this Assignment.

Assignors further warrant and represent that, at the time of the execution and delivery of these presents, Assignors possess full title to the Applications above-mentioned, and has the unencumbered right and authority to make this assignment.

Assignors further covenant and agree, and likewise binds, their heirs, legal representatives and assigns, to promptly communicate to said Assignee or its representatives any facts known to them relating to said Applications, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for said Applications in all countries and to vest in the Assignee complete title to the Applications and Letters Patents, without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.
