IFLIGHT TECHNOLOGY COMPANY LIMITED

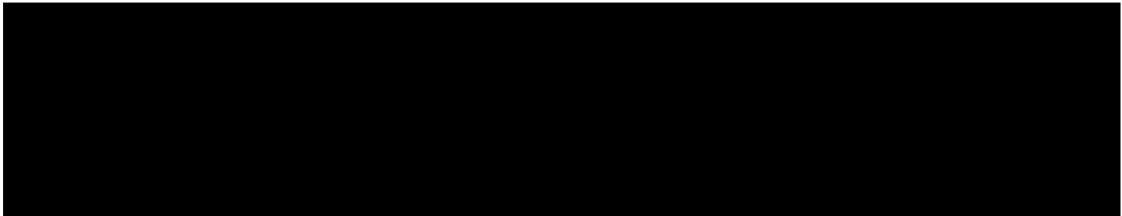

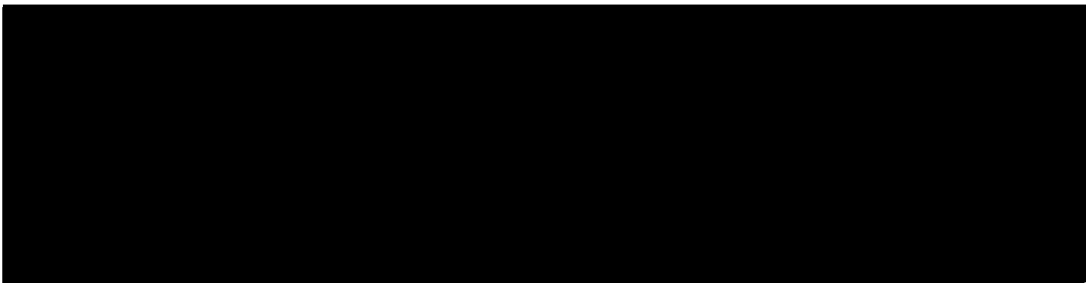

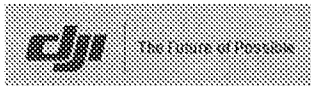

7. Assignment of Inventions and Copyrights.

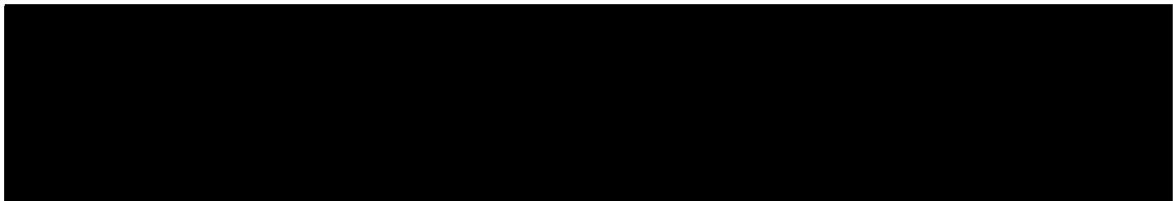

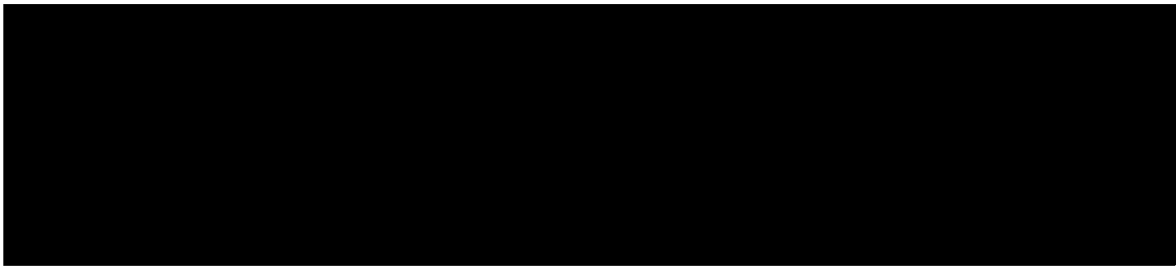

7.2 You hereby assign and agree to assign to the Company, without royalty or any other consideration except as expressly set forth herein, all worldwide right, title and interest you may have or acquire in and to (i) all Innovations (ii) all worldwide patents, patent applications, copyrights, mask work rights, trade secrets rights and other intellectual property rights in any Innovations; and (iv) any and all "moral rights" or right of "droit moral" (collectively "Moral Rights"), that you may have in or with respect to any Innovations. To the extent any Moral Rights are not assignable, you waive, disclaim and agree that you will not enforce such Moral Rights. You agree that such assignment shall extend to all languages and including the right to make translations of the Materials and Innovations. Additionally, you agrees, at no charge to the Company, but at the Company's sole expense, to sign and deliver to the Company (either during or subsequent to your employment) such documents as the Company considers desirable to evidence the assignment of all rights of yours, if any, described above to the Company and the Company's ownership of such rights and to do any lawful act and to sign and deliver to the Company any document necessary to apply for, register, prosecute or enforce any patent, copyright or other right or protection relating to any Innovations in any country of the world.

IFLIGHT TECHNOLOGY COMPANY LIMITED
