ASSIGNMENT

WHEREAS Fitt USA Inc. [hereinafter referred to as Assignor], a corporation of Illinois, whose post office address is 444 N. Michigan Ave., Suite 1200, Chicago, Illinois 60611, is, by virtue of Assignments recorded in the Assignment Recordation Branch of the U.S. Patent and Trademark Office, the assignee of the intellectual properties listed on the attached Appendix; and

WHEREAS, Fitt S.p.A., a corporation of Italy whose post office address is Via Piave nr. 8, Sandrigo, Vicenza 36066, Italy [hereinafter referred to as Assignee], is desirous of securing the entire right, title, and interest in and to the intellectual properties, patent, patent applications, and inventions listed in the attached Appendix, in all countries throughout the world;

NOW THEREFORE, be it known that for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, Assignor has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors, and assigns, Assignor's entire right, title, and interest in and to these intellectual properties, inventions, applications, patent, and all divisions, and continuations thereof, and all Letters Patents of the United States, which have been granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such applications, and all applications for Letters Patent which may hereafter be filed for these inventions in any foreign country, and all Letters Patents that may be granted on these inventions in any foreign country, and all extensions, renewals, and reissues thereof; and Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patents for these inventions to the Assignee, its successors, and assigns, in accordance with the terms of this Assignment;

AND, ASSIGNOR HEREBY covenants that Assignor has the full right to convey the interest assigned by this Assignment, and that the Assignor has not executed and will not execute any agreement in conflict with this Assignment;

AND, ASSIGNOR HEREBY further covenants and agrees that Assignor will, without further consideration, communicate with the Assignee, its successors, and assigns, any facts known to Assignor respecting these inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the titles to these inventions in said Assignee, its successors, and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, and assigns, to obtain and enforce proper patent protection for these inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors, and assigns.
