**ASSIGNMENT**

WHEREAS, I, **Stuart Richard CROSBY**, citizen of **Great Britain**, residing at c/o **Evonetix Ltd, 9a Coldham's Business Park, Norman Way, Cambridge CB1 3LH, United Kingdom**, ASSIGNOR, am an inventor of one or more inventions disclosed, described and/or claimed in the application identified as U.S. Application Number **16/604,329** filed **October 10, 2019** ("the invention"), which is entitled **THERMALLY-CLEAVABLE PROTECTING AND LINKER GROUPS** ("the subject application"), and which claims priority to **United Kingdom Application No. 1705925.4** filed **April 12, 2017** ("the priority application").

AND WHEREAS, **EVONETIX LTD**, ASSIGNEE, having a place of business **9a Coldham's Business Park, Norman Way, Cambridge CB1 3LH, United Kingdom**, is desirous of obtaining my entire right, title, and interest in, to, and under the invention:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the ASSIGNOR, hereby sell, assign, transfer, and set over, unto the ASSIGNEE, its successors, legal representatives, and assigns, my entire right, title, and interest in, to, and under the invention, and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates, and designs that have been filed, and that may hereafter be filed, in any country, that disclose, describe, and/or claim the invention, including, without limitation, the subject application and the priority application, and all extensions, renewals, and reissues of such applications, including all divisions and continuations in whole or in part; all patents granted on such applications in any country, and all extensions, renewals, and reissues of such patents, including all divisions and continuations in whole or in part; the right to file such applications in any country; and the right to claim for such applications in any country the priority rights derived from the priority application and the subject application under the International Convention for the Protection of Industrial Property, the Patent Laws of the United States, any other international agreement or protection, or the domestic laws of any country in which any such application is filed, as may be applicable.

AND I HEREBY covenant and agree that I have full right to convey my entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the ASSIGNEE, its successors, legal representatives, and assigns, any facts known to me respecting the invention, and testify in any legal proceeding, sign all lawful papers, execute all disclaimers and all divisional, continuing, reissue, and foreign applications, make all rightful oaths, deliver upon request all papers, documents, affidavits, or other instruments that may be necessary or helpful in the prosecution of any application for industrial property protection describing and/or claiming the invention, and generally do everything possible to aid the ASSIGNEE, its successors, legal representatives, and assigns, to obtain and enforce proper protection for the invention in all countries.
